

## Next Steps

There's a lot of work to be done in the coming years. Just as the environment around us evolves and changes, so will this Action Plan.

We see this Action Plan as a 'living document' for the community, one we will review regularly and update according to our changing landscape, and to the priorities of our community.

Accordingly, we want your views on the Action Plan.

Address your comments to **Stephen Monet, Manager of Environmental Planning Initiatives**, and send them by:

- Post: PO Box 5000, STN A, 200 Brady Street, Sudbury, ON, P3A 5P3
- Fax: (705) 673-2200
- Email: [stephen.monet@greatersudbury.ca](mailto:stephen.monet@greatersudbury.ca)

A 5-Year Operations Plan that will cover the years 2011 to 2015 will be developed in 2010. The Operations Plan will provide the details as to what specific actions will be done in this time period and what areas will be worked on.

Now, let's get to work !
