BACKGROUND

At the time of the printing of the Council Agenda staff were not able to confirm the appointment of the remaining members of the Healthy Community Expert Panel. The purpose of this report is to advise Council that the below noted two Citizens have now confirmed they are willing to have their names submitted to Council for appointment to the Expert Panel.

The original recommendation does not need to be amended to provide for these additional appointments.

The following individuals have confirmed their involvement on the Healthy Community Expert Panel:

Ms. Lorraine Leblanc:

Ms. Leblanc, a nurse by profession, has been in the community health promotion field for the past 12 years. She has extensive experience with the "hard to serve" sector of our community and a familiarity with rural issues. Ms. Leblanc works closely with the Francophone population in Greater Sudbury through her position at the Centre de Sante Communautaire.

Mr. Franco Mariotti:

Mr. Mariotti has been a staff scientist at Science North since 1982. He is a member and co-chair of the Sudbury Roundtable on Health, Economy and the Environment and a founding member and current co-chair of the Junction Creek Stewardship Committee.

Correction to Council Report dated February 2, 2005:

Mr. Bob Rogers is "a" founding member of the Ontario Healthy Communities Coalition and not "the" founding member. (Agenda Page 45)

Respectfully submitted for Council's information.
