ADMINISTRATIVE SERVICES

The Executive Director/City Clerk provides leadership to the divisions within Administrative Services co-ordinating and facilitating the provision of high quality, cost effective and responsive services to our internal clients and is the lead on all governance related initiatives. Within the Department are five primary sections as follows:

- Clerks Services is responsible for fulfilling a number of statutory responsibilities as described in the Municipal Act and in other legislation ranging from the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA) to the Accessibility for Ontarians with Disabilities Act (AODA). The Clerks section manages the governance process for Council and all Council Committees, including preparation and organization of meeting content and materials, conducts elections and provides organizational support to accountability initiatives and investigations.
- Legal Services manages the Solicitor's functions to meet legislative requirements and ensure protection of CGS interests. The department drafts and reviews legal documents including by-laws, agreements/contracts and opinions and provides oversight to prosecutions.
- The City of Greater Sudbury has been operating Provincial Offences Act (POA), more formally known as Ontario Court of Justice – Provincial Offences Court, since transfer from the Province in 2001. POA offences are non-criminal charges, the most common of which are laid under the Highway Traffic Act.
- The Compliance and Enforcement section is responsible for the enforcement of a number of Municipal Bylaws and Provincial Statutes, including, but not limited to, Zoning, Traffic and Parking, Property Standards, Licensing Bylaws and the Ontario Building Code. Licensing staff in the office support all applications for any Business Licence, Taxi Licence or Lottery Licence (under \$50,000) in the City of Greater Sudbury. The section manages the contracts for Downtown Parking Enforcement and Animal Control.
- Information Technology staff manage all the hardware and software critical to municipal operations. This includes maintenance of 5,500 network nodes and 230+ business applications which run over 350 servers and more than 2,000 employee workstations. Telecommunications and departmental specific technology tools are also supported through IT.

Legal Services staff provide professional support to all departments within the City of Greater Sudbury as well as to our local boards (Police, Library etc.) and municipal corporations excepting GSU. Client groups throughout the organization call upon the solicitors to provide them with quality and timely advice and assistance on specialized municipal matters as varied as providing advice in relation to matters under MFIPPA, completing the legal work associated with subdivision developments and other real estate transactions and providing required support for procurement matters.

By-laws are required under the *Municipal Act, 2001*, to give effect to the Council's decision making powers and Legal Services prepares the By-laws for passage by City Council at each scheduled meeting. While some By-laws may be brief in nature a number are highly complex and require considerable time and effort by Legal Services staff, working in consultation with the departments.

An organization as large as the City of Greater Sudbury enters into a countless number of agreements varying in length and complexity to protect its interests, carry on business and deliver goods and services for its residents. Staff in Legal Services spends a great deal of time drafting, reviewing and providing advice on agreements covering all facets of the business of the City. Such agreements often relate to procurements, real estate, planning and development, property leases, or funding arrangements with other levels of government.

Legal Services has developed internal expertise and capacity for recurring matters, such as POA prosecutions while retaining experts for highly specialized litigation or other matters as required. In most of the City of Greater Sudbury's litigation matters, it is the City who is the defendant and there is a significant return on investment in defending against these claims.

The strategic use of both internal and external legal counsel is reflected in the savings achieved in recent years when one compares the historical average costs for external counsel prior to restructuring of Legal Services, to the current costs. The model adopted by the City of Greater Sudbury has the same proportionality of internal to external counsel use as many other Ontario municipalities.

2016 Operating Budget

Operating Budget Summary

Description

The Provincial Offences Act enables the City to manage court administration and prosecution of some offences. The City has the authority to collect fines, fees, costs and surcharges, and enforce payment of fines as imposed by the courts. Revenue, net of amounts calculated and costs remitted to the Province in accordance with the Act, are retained by the Municipality.

CORPORATE SECURITY AND COURT SERVICES

The City of Greater Sudbury has been operating the Provincial Offences Office (POA), more formally known as Ontario Court of Justice – Provincial Offences Court, since its transfer from the Province in 2001. POA offences are non-criminal charges, the most common of which are laid under the Highway Traffic Act. With all POA operations (Court and Administrative process) being housed at Tom Davies Square/199 Larch Street complex there is significant cost avoidance to the municipality when compared to the costs that would be incurred for the physical construction of a new space and/or having to operate from two different physical locations.

With tasks being aligned to specific work pods, with an ongoing dedication to the administration of justice for all POA matters, there is a continuing focus on efficiency in the POA Office. Aligning tasks to specific work areas has further allowed for a focused commitment to the collection and recovery of outstanding amounts owed to the municipality.

While ensuring the safety and security of all staff and citizens that visit City of Greater Sudbury facilities, the Corporate Security Section of Administrative Services continues to serve as an advisor, providing organizational leadership and direction on all things related to security.

With a newly executed contract for uniformed security services at Tom Davies Square/199 Larch and the Transit Terminal, Corporate Security will continue to strive towards a culture change in the organization when considering the level of service provided to internal and external customers of these buildings. Likewise, working with stakeholder departments, Corporate Security will maintain a focus on the security of staff and citizens at all locations across the organization.

Variance Explanation:

Purchased/Contract Services

The Province charges municipalities for a number of POA related costs and has advised that in 2016 we will see increases in adjudication costs. The Province is increasing the costs from \$200 to \$300 per court hour to achieve full cost recovery for this service.

2016 Operating Budget

Operating Budget Summary

Description

The Compliance and Enforcement section ensures that all regulatory and licensing by-laws enacted by Council are adhered to. All inquiries and complaints are addressed and responded to in a professional, timely manner with the goal of resolution through education and voluntary compliance. The enforcement of by-laws such as Business and Taxi Licensing, Zoning, Permanent and Temporary Signage, Property Standards, Clearing of Lands, Animal Control and Licensing, Parking and the Protection of Public Property assists with providing residents and visitors of the City of Greater Sudbury with a clean, safe, sustainable environment. Enforcement officers conduct inspections and investigations of by-law violations and initiate proceedings for by-law offences pursuant to the Provincial Offences Act. Staff in the section license and monitor bingo, nevada and raffle lotteries to ensure compliance as set out by the Alcohol and Gaming Commission of Ontario.

The Compliance and Enforcement section is responsible for the enforcement of a number of Municipal Bylaws and Provincial Statutes, including, but not limited to, Zoning, Traffic and Parking, Property Standards, Licensing Bylaws and the Ontario Building Code.

On average, each officer manages 285 cases per year for an average total of 2,287 cases per year being handled by the section. The goal is always to work with the parties involved to obtain compliance, however when necessary, options such as issuance of charges under the Provincial Offences Act or transfer of costs associated with remediation of the matter to the property owner's tax roll may be applied.

Licensing staff in the office support all applications for any Business Licence, Taxi Licence or Lottery Licence (under \$50,000) in the City of Greater Sudbury. The section manages the contracts for Downtown Parking Enforcement and Animal Control.

In 2016 the section will be working on Taxi Licensing in the context of Uber and web based applications, a Noise By-Law and on the award of a new Animal Control Contract.

INFORMATION TECHNOLOGY

Reconciliation of Net Budget: P6M Impact

P6M Savings

- Reduction in contribution to ERP envelope \$239,905

This division is responsible for all aspects of Information Technology (IT) at the City. IT provides the City with the hardware and software that is critical to Municipal operations. IT Staff manage and maintain more than 5,500 network nodes and 230 business applications which run on 350 servers of which 289 are virtual servers and close to 2,040 workstations located at 129 network sites across the community. In addition, the department maintains over 1,600 telephones which utilize as many as 200 distinct numbers. IT maintains some 66 multi-function copier/fax/printer/scanner units and 215 printers, 180 cell phones and 280 Blackberries. The department is responsible for the installation, maintenance, backup and support of these workstations and works to ensure that the City's technology is always current and up-to-date. The IT help desk provides day-to-day support to employees with both hardware and software problems, responding to approximately 10,800 requests in the past year.

IT staff follow the IT Strategic Plan, the Municipal IT Trends Report, the Managing IT Growth report and the Green IT report to make decisions regarding current and future uses of technology. IT continues to work with the Senior Management Team to further develop IT policies to manage IT technologies.

The total IT budget is allocated to operating departments through an internal recovery charge in accordance with OMBI methodology.

In accordance with the Reserve and Reserve Fund By-Law, any net under expenditure in the IT operating budget may be contributed to the Capital Financing Reserve Fund – Information Technology provided the overall financial position of the municipality is also in a net surplus position.

Variance Explanation:

Contribution to Reserve and Capital
