## Approved Waste Storage Containers

**A registered owner of a property to which residential roadside waste collection services are provided by the City may purchase a TyeDee Bin waste storage container and receive collection services from the container provided that:**

1. The container is placed on the resident's own property no further than six feet from the edge of the road.
2. The resident's/property owner's address is clearly marked on the container.
3. The container is kept clean and in a sanitary condition.
4. The container is in good state of repair (this also means well painted).
5. The area around the container is kept clean and in a sanitary condition.
6. The container is completely accessible to the collection crews (i.e. not locked; not buried in snow or ice etc.).
7. The container is never placed in a location to impede road maintenance work.
8. The waste stored in the container must be placed in approved waste containers.

Please provide the City with a two week notice that you will be making use of a TyeDee Bin to store your residential waste. We will then add your address to our collection list.

For further information, please call City Services at 311 or visit our website at [www.greatersudbury.ca/wastemanagement](http://www.greatersudbury.ca/wastemanagement).

It starts with you! We'll take it from here.
