SUBDIVISION/CONDOMINIUM APPLICATION

Personal information on this form is collected pursuant to the *Planning Act*. Any questions regarding the collection of this information may be directed to the Manager of Development Approvals.

In accordance with Section 1.0.1 of the *Planning Act*, R.S.O. 1990 information and material required to be provided to a municipality or approval authority as part of this application shall be considered public information and shall be made available to the public.

Applications for plans of subdivision and condominium in the City of Greater Sudbury are submitted pursuant to Section 51 of the *Planning Act and Condominium Act*. The following information is required to be submitted to the Planning Services Division of the Growth and Development Department and shall be accompanied by a cheque made payable to the City of Greater Sudbury (refer to "Fee Schedule" for applicable application fees).

All applications submitted must be consistent with the Provincial Policy Statements which can be found at www.mah.gov.on.ca

In accordance with Section 51(19.1) of the *Planning Act*, the City of Greater Sudbury is required to notify the applicant within 30 days of the application having been submitted, whether additional information is required to be submitted in order for the application to be considered complete. Failure to submit all of the required information may prevent or delay the consideration of the application.

All applicants are required to contact the Manager of Development Approvals, or the designate, to determine the need for a pre-consultation meeting prior to the submission of an application. Where it has been determined that a pre-consultation meeting is required, the pre-consultation meeting shall occur prior to the application being submitted to the City.

It is recommended that applicants consult with their neighbours, ward councillor and key stakeholders and host a neighbourhood meeting to inform area residents as to the nature of the application several weeks prior to the application being scheduled for a public hearing. This will allow all parties to understand the nature of the application and also allow parties to work out contentious issues where possible in advance of the public hearing.

Please submit 40 copies of the FOLDED Plan with this Application.

NOTE: The applicant is required to submit a digital file of the Draft Subdivision/Condominium Plan at the time of original application. The Draft Plan and any subsequent revisions (clearly labelled with a version number) must be supplied on a CD to the City of Greater Sudbury in an AutoCad compatible format, in metric units in NAD 83 CSRS UTM Zone 17.

Digital mapping files may also be submitted to the following email address: plansubmission@greatersudbury.ca within 5 business days of the application being submitted to the City.

If digital submission standards are not met, the application may be considered incomplete.

Please print. Schedules may be included if necessary.
