Rainbow Routes
Trans Canada Trail Master Plan

Letter dated August 8, 2001 was received from Mr. Paul Sajatovic,
Director, Rainbow Routes Association regarding Rainbow Routes Master
Plan.

Rainbow Routes City of Greater Sudbury Trans Canada Trail Master Plan
dated August 2001, was circulated to Members of the Committee of the
Whole Planning.

Paul Sajatovic, Director and Jason Nelson, Trail Assistant, Rainbow
Routes Association, gave a brief power point presentation outlining the
Greater Sudbury Trans Canada Trail Master Plan.

Mr. Nelson addressed the Committee explaining that Rainbow Routes is
a not-for-profit organization dedicated to the development and
maintenance of the Trans Canada Trail through the City of Greater
Sudbury. Rainbow Routes is a nationally and provincially recognized trail
association. The association, with their partners, have built over 10
kilometres of trail in Greater Sudbury in the last two years. The City also
has the only Trans Canada Trail pavilion in Northern Ontario located in
the Fielding Memorial Park.

Rainbow Routes
Trans Canada Trail
Master Plan (Cont’d)

He advised the trail through the City of Greater Sudbury, when completed, would be 133 kilometres long. The trail will provide the residents and visitors to Greater Sudbury with a safe and convenient Trans Canada Trail routing which will connect and encourage a healthy and unified City. This recreation and utilitarian trail network will encourage a healthy lifestyle through linking neighbours to communities and City-wide attractions and services.

Mr. Sajatovic thanked the Committee for their support. He stated that the Master Plan is an essential tool to construct and implement the Trans Canada Trail through the City of Greater Sudbury. He pointed out that the $4.4 million trail development plan for the City of Greater Sudbury will serve as a model for communities across the country. He advised that applications for funding were recently completed for a $2 million grant from the Northern Ontario Heritage Fund’s Northern Trail Plan. These funds will go a long way towards developing the Trans Canada Trail through Sudbury. The money will be used to implement a number of initiatives outlined in the Master Plan. He also pointed out that the Master Plan document recommends negotiating land acquisitions on the trail route, planning bridge work over waterways and striking agreements to use the abandoned rail lines. He stated that Plan could take up to 10 years to complete. However, considerable headway could be made within the next two years. The City already has a system with about 95 kilometres of trails, leaving another 35 kilometres to be developed, to create the proposed network. He also pointed out that the Master Plan will be submitted to the Canadian Society of Landscape Architects for awards.

The Committee Chair thanked Mr. Nelson and Mr. Sajatovic for their presentation and commended all involved for their commitment and contribution.

REZONING APPLICATION TO PERMIT A “GARDEN SUITE” AS A TEMPORARY USE AT 4501 BEAVER AVENUE, VAL THERESE - GERALD R. DESCHAMPS

The Committee of the Whole - Planning meeting was adjourned and the Public Hearing was opened to deal with the following application.

Report dated August 2, 2001 was received from the Director of Planning Services and the General Manager, Economic Development and Planning Services regarding a rezoning application to permit a “garden suite” as a temporary use at 4501 Beaver Avenue, Val Therese - Gerald R. Deschamps.

The Manager of Development Services outlined the application to the Committee.

Cont’d...
Mr. Gerald Deschamps and Mrs. Diane Deschamps, applicants, were present and indicated they were satisfied with the staff recommendation.

Mr. Deschamps indicated that he had spoken to his neighbours and advised they are in favour of his proposal.

No objectors were present.

The Public Hearing concerning this matter was closed and the Committee of the Whole - Planning resumed in order to discuss and vote on the application.

2001-103 Portelance-Craig: That the application by Gerald R. Deschamps, the owner of Parcel 24382 S.E.S. being Lot 69, Plan M-507 in Lot 4, Concession 2, Township of Hanmer, City of Greater Sudbury, to permit a second dwelling unit on the subject property for a maximum temporary period of ten years, pursuant to Section 39 of The Planning Act be approved subject to the following condition:

1. The minimum rear yard depth for a “garden suite” shall be 4.57 m (15 ft.).

REZONING APPLICATION TO PERMIT THE REDEVELOPMENT OF 3111 AND 3119 HIGHWAY 69 NORTH (MUNICIPAL ROAD 80) IN VAL CARON WITH A 7,200 SQUARE FOOT BUILDING FOR GENERAL COMMERCIAL USE - 724179 ONTARIO LIMITED

The Committee of the Whole - Planning meeting was adjourned and the Public Hearing was opened to deal with the following application.

Report dated August 2, 2001 was received from the Director of Planning Services and the General Manager, Economic Development and Planning Services regarding a rezoning application to permit the redevelopment of 3111 and 3119 Highway 69 North (Municipal Road 80) in Val Caron with a 7,200 square foot building for general commercial use - 724179 Ontario Limited.

The Manager of Development Services outlined the application to the Committee advising that the right-only exit proposed by the applicant is not supported by staff due to pedestrian safety concerns because of the close proximity of the pedestrian crosswalk. He also pointed out that the Official Plan policy requires that abutting developments on primary arterial roads will be limited to one entrance. It is recommended that the site be restricted to a single commercial entrance.

Cont'd...
Ms. Carolyn Piquette, agent representing 724179 Ontario Limited, was present.

Ms. Piquette addressed the Committee with respect to the consolidation of the two lots. She explained that staff recommend the two lots involved be consolidated prior to the adoption of an amending zoning by-law. She pointed out that the next Council meeting is scheduled for September 13th. Following the Council meeting, there would be another 20 day waiting period for the circulation of the zoning by-law. This delay would not allow them to commence construction this year. She requested the Committee to amend Condition (a) in the staff recommendation to allow the lots to be consolidated after the by-law is approved. She also requested that City Council approve the zoning by-law that evening to enable them to proceed with their development this year.

With respect to the right-only exit she advised that it would be regulated by the traffic flow and the signalized intersection. She stated they do not want vehicles stacking in the parking lot due to one single commercial entrance. She requested the right-only exit be allowed as well as the single commercial entrance.

It was suggested that the right-only exit be moved further north to alleviate pedestrian safety concerns.

No objectors were present.

The Public Hearing concerning this matter was closed and the Committee of the Whole - Planning resumed in order to discuss and vote on the application.

The following resolution was presented:

Craig-Portelance: That the application by 724179 Ontario Limited to amend By-law 83-300 being the Zoning By-law for the former Town of Valley East by changing the zoning classification of Parcels 16250 and 18346, being Lots 9 and 10, Plan M-257 in Lot 7, Concession 6, Blezard Township from “R1.D18”, Single Residential to “C2”, General Commercial be approved subject to the following:

a) That prior to the adoption of an amending zoning by-law the two lots involved be consolidated to the satisfaction of the City Solicitor; and,

b) That prior to the issuance of a building permit, the owner enter into a Site Plan Control Agreement, which among other matters, shall restrict access to a single commercial entrance.

Cont’d...
The following amendments to the above-noted resolution were presented:
