

APPOINTMENT OF VOTING PROXY
MUNICIPAL ELECTIONS ACT, 1996 (SECTION 44)

Form Number (For Internal Use Only)

INSTRUCTIONS

An elector who is not able to attend an in-person paper ballot Voting Location and who does not wish to cast an electronic ballot during the voting period may appoint another qualified elector within the municipality as a voting proxy (a "Proxy") to cast a paper ballot on their behalf at an in-person Voting Location. The appointed Proxy must present this completed form in person, to the Election Official in the City Clerk's office, during regular business hours at Tom Davies Square.

In addition to the completed form, the appointed Proxy must provide a certified copy or original piece of identification (as prescribed) for both the person appointing the Proxy and for the person who is appointed to act as a Proxy. Only forms that have been stamped and certified by the Clerk or their designate will be accepted by Voting Location Election Officials. Prior to casting a paper ballot, the appointed Proxy must take the prescribed oath.

Under Section 44 of the Municipal Elections Act, 1996, a qualified elector within the municipality may act as a voting Proxy on behalf of one other qualified elector who is **not** a relative. However, a qualified elector within the municipality may act as a Proxy for one or more qualified electors who are relatives (i.e.: spouse, sibling, parent, child, grandparent) and must use a separate proxy form for each voter that they are representing.

This form is a public record and the copy on file with the Clerk may be inspected by any member of the public.
