

General changes:

- New logos, graphics and layouts, new schedules and renamed schedules, revised map scales
- Updated geographic boundary of the City of Greater Sudbury

Updated information received from Province:

- AMIS sites and features (Mining operations and Hazards) (MNDM)
- Source Water Protection (WHPAs, IPZs, watersheds, wells) (with Conservation Sudbury/SWP)
- LIO data - Trout Lakes (with CGS), Late Moose Wintering Area, Osprey/Heron Nesting Sites

Updated information done in-house:

- Flood Plain (with Conservation Sudbury)
- Land Use (See below)

Specific changes by Schedule:

NOTE: At this time, there are no proposed changes to Schedules 5 (Trails), 6 (Transportation Network), 7 (Road Right of Way Widths), and 9 (Sewer and Water). Changes to these schedules will be considered as part of the Phase 2 amendment of the five-year review.

Schedule 1 a, b, c, 3, Appendix A:

- Former Long Lake School - from Institutional to Parks & Open Space
- 263 Notre Dame, Azilda - parts outside Flood Plain from Parks and Open Space to Living Area I
