**Subject: Temporary Liquor Licence Extension and Noise By -law Exemption -
Chapter 776 (former City of Sudbury Municipal Code), Noise By -law
For the Annual Italian Community Festival**

Department Review:

Doug Wuksinic,
General Manager of Corporate Services

Recommended for Agenda:

Jim Rule,
Chief Administrative Officer

Report Authored by: R. Leblanc, M.L.E.O.

Recommendation:

This Council has no objection to the issuance of a temporary extension to their liquor licence and no objection to the granting of an exemption to Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law) to John Cimino, General Manager, Caruso Club, for their Annual Italian Community Festival. The hospitality tent is to be operated on July 6th, 7th and 8th, 2001 between the hours of 12:00 noon and midnight. The anticipated attendance for the event is 14,000 people;

And further that this Council confirms the nature of this event as a Community Festival and that it is of municipal significance to our Community;

And further that this approval be subject to the following conditions:

- 1. That the special event organizer shall ensure the provision of adequate clean-up of the site and those properties adjacent to the event area;**
- 2. That all Ontario Fire Code regulations must be adhered to, in particular, with respect to Section 2.8 that indicated a Fire Safety Plan is required for this event;**
- 3. That a fire extinguisher be provided for outdoor cooking or barbecues;**
- 4. That when outdoor amplified sound equipment is in use, all speakers and speaker stacks shall be positioned to tilt downward into the crowd versus projecting straight over the crowd or adjoining properties;**
- 5. That the special event organizer, or his designate, must be present on the site during the entire duration of the event;**
- 6. That the tent be erected in accordance with the provisions of the Ontario Building Code;**
- 7. That the event representative ensure emergency vehicles have access to the event area.**

Background:

Attached is an application submitted by John Cimino, General Manager, Caruso Club, 385 Haig Street, Sudbury, requesting Council's approval for a temporary extension to their liquor licence and exemption from Chapter 776 of the former City of Sudbury Municipal Code (Noise By-law). The request is made to facilitate the hosting of their Annual Italian Community Festival to take place on July 6th, 7th and 8th, 2001 with an anticipated attendance of 14,000 people. The hours of operation will be from 12:00 noon until midnight, daily. There will be an Italian Festival Pageant, cultural plays, dancing, music, several games for children and barbecues. Alcoholic beverages will be served in a hospitality tent which will be located in the parking lot at the front of the Caruso Club.

In accordance with Council's policy, this application was circulated to the Fire Chief, Police Chief, Director of Citizen & Leisure Services, the City Solicitor and the Co-ordinator of Traffic and Parking. Their concerns have been added to the conditions for approval.

The foregoing resolution has therefore been placed on the Agenda for your consideration.

Attn: Solicitor Roger Leblance:

Re: Special Occasion Permit

The plans are under way to host our annual CARUSO CLUB ITALIAN FESTIVAL, scheduled for July 6, 7, and 8, 2001.

We are applying for approval of outdoor fundraisers and Community Festival.

We hope to set up a hospitality tent serving beer and wine at our Caruso Club parking lot along with events in our hall. Experienced bar staff from the Club will be operating the facility.

The tent will be provided by Rent N sell All. It is a 40' x 60' and we understand that it meets CSA and other required safety standards. We anticipate that no more than 100 people would be served at any given time.

It should be noted that public washrooms are available in the Caruso Club banquet hall and will be open during the hour of operation.

My colleagues and I would appreciate a letter from your office approving this application. I can be reached during business hours 9:00 a.m. to 5:00p.m. at (705) 675-1357.

Sincerely yours,

John Cimino
General Manager

Meeting Date: 2001-06-14

Subject: Special Occasion Permit and Exemption to By-law 92-10,
(former Town of Onaping Falls Noise By-law
- Royal Canadian Legion, Chelmsford Branch

Department Review:

Doug Wuksinic,
General Manager of Corporate Services

Recommended for Agenda:

Jim Rube,
Chief Administrative Officer

Report Authored by: R. Leblanc, M.L.E.O.

Recommendation:

This Council has no objection to the issuance of a special occasion permit and no objection to the granting of an exemption to By-law 92-10 of the former Town of Onaping Falls (Noise By-law) to the Royal Canadian Legion, Chelmsford Branch, to include three (3) events at Vermillion Lake Park, 1950 Vermillion Lake Road in the Town of Onaping Falls as follows:

1) June 23rd, 2001 - Central Mills Fishing Derby:

Hours of operation: 12:00 noon to 6:00 p.m.

Anticipated attendance of 150 people.

2) July 20th, 21st and 22nd, 2001 - Annual Legion Picnic:

Hours of operation: Friday, June 20th, 2001, 6:00 p.m. to 1:00 a.m.
Saturday, June 21st, 2001, 11:00 a.m. to 1:00 a.m.
Sunday, June 22nd, 2001, 12:00 noon to 6:00 p.m.

Anticipated attendance of 500 people

3) August 12th, 2001 - Wild World of Wheels:

Hours of operation: 11:00 a.m. to 8:00 p.m.

Anticipated attendance of 500 people.

A hospitality tent will be operated at all three (3) events as a fund raiser for the Royal Canadian Legion at Vermillion Lake Park in Onaping Falls.

And further that this Council confirms the nature of this event as a Community Festival and that it is of municipal significance to our Community;

And that the foregoing approval be subject to the following conditions:

- 1. That the tent be erected in accordance with the provisions of the Ontario Building Code;**
- 2. That the event representative ensure emergency vehicles have access to the event area;**
- 3. That all Ontario Fire Code regulations must be adhered to, in particular, with respect to Section 2.8 that indicates a Fire Safety Plan is required for this event;**

4. That no bonfires of any kind, barbecues or similar types of cooking devises shall be operated on the site without the consent of the Fire Chief, and that an approved fire extinguisher be provided for each of the foregoing;
5. That when outdoor amplified sound equipment is in use, all speakers and speaker stacks shall be positioned to tilt downward into the audience or crowd versus projecting straight over the crowd or adjoining properties;
6. That the event representative or his designate must be present on the site during the entire duration of the event.
7. That the event representatives ensure the provision of adequate clean-up of the site and those properties adjacent to the event.

Background:

Attached is an application submitted by Mr. Bill Hannon on behalf of the Royal Canadian Legion, Chelmsford Branch, requesting Council's approval for a special occasion permit and exemption from By-law 92-10 of the former Town of Onaping Falls (Noise By-law) to operate a hospitality tent at 1950 Vermillion Lake Road, in the Town of Onaping Falls, as a fund raiser for the said Royal Canadian Legion, Chelmsford Branch.

In accordance with Council's policy, this application was circulated to the Fire Chief, Police Chief, Director of Citizen & Leisure Services, the City Solicitor and the Co-ordinator of Traffic and Parking. Their concerns have been added to the conditions for approval.

The foregoing resolution has therefore been placed on the Agenda for your consideration.

Report To: CITY COUNCIL

Report Date: June 6, 2001

Meeting Date: June 14, 2001

Subject:

Disposal of Surplus Fill
Contract R00-18 Bancroft Drive Reconstruction - Fourth Avenue to Levesque Street
City of Greater Sudbury

Report Prepared By:

Don Bélisle
General Manager
Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Authored By: Kevin Shaw, P. Eng., Manager, Construction Services

Recommendation:

That due to the lack of suitable land available for disposal of excavated material for Contract R00-18, Bancroft Drive Reconstruction, Fourth Avenue to Levesque Street, City of Greater Sudbury, that disposal takes place on the property described as the north side of Bancroft Drive, Part of Parcel 49827 S.E.S. being part of Part 5 on 53R-13634 in Lot 10, Con. 3, Neelon Township, and the south side of Bancroft Drive, Parcel 51427, S.E.S being Part 2, SR-1386 in Lot 10, Con. 3, Neelon Township, part of Parcel 49827 and Parcel 51427, Plan 53R-13634 S.E.S.

Executive Summary:

Due to the lack of suitable land available for disposal of excavated material for Contract R00-18, Bancroft Drive Reconstruction, Fourth Avenue to Levesque Street, that disposal of surplus fill take place on the above noted parcels of land.

Background:

Regional policy previously established by the Public Works Committee, requires that surplus material from construction projects be disposed of on public property with the exception that property owners providing easements may obtain the material from the easement. Resolution 83-113 of the Engineering Committee and the report dated August 30, 1983, outline the policy (see attached).

The City of Greater Sudbury has provided a location at the Sudbury Landfill Site and Frobisher Depot. However we feel that alternate locations may be required to receive excess fill.

A request has been received from Zulich Enterprises who have lands suitable for such disposal adjacent to Bancroft Drive.

Policy - Disposal
of Surplus
Excavated Material
Regional
Construction
Projects

Report dated August 30, 1983 was received from the Regional Engineer regarding policy for the disposal of surplus excavated material from Regional construction projects.

83-113 Peck-Hayduk: That the present policy respecting the disposal of surplus excavated material from Regional construction projects be reconfirmed:

1. That the material be placed on public properties only, except for work carried out on easements.

2. For work carried out on easements the surplus material generated from the easement can be left on the abutting property.

Policy - Disposal
of Surplus
Excavated Material
Regional
Construction
Projects (Cont'd)

3. If suitable public property is not available for disposal of surplus material, alternate arrangements be approved by the Engineering Committee for disposal of material.

Subject

Disposal of surplus excavated material from Regional construction projects.

Recommendation

That the present policy respecting the disposal of surplus excavated material from Regional construction projects be re-confirmed:

1. That the material be placed on public properties only, except for work carried out on easements.
2. For work carried out on easements the surplus material generated from the easement can be left on the abutting property.
3. If suitable public property is not available for disposal of surplus material, alternate arrangements be approved by the Engineering Committee for disposal of the material.

RECOMMENDED FOR APPROVAL

SIGNATURE

P.J. Morrow, P.Eng.
Regional Engineer

Background

The matter of disposal of surplus excavated material from Regional construction projects was requested to be brought back to the Committee for examination. This matter has been to the Committee on several occasions in the past.

Engineering Committee
Re: Disposal of surplus excavated material
August 30, 1983

Background - continued

Resolutions 82-15 and 74-28 of the Committee and reports dated January 28, 1982 and February 6, 1974 outline the policy. The policy requires that surplus material be disposed of on public property with the exception that property owners providing easements may obtain material from the easement. If, however, we do not have a public property suitable for disposal within a reasonable haul distance from the construction site, the matter is to be referred to the Engineering Committee.

Such has been the case for the 1983 Algonquin Road project and the Vermilion Lake Road project.

We are still of the opinion that surplus material should go to public properties, or lands abutting an easement and that disposal should not become the responsibility of the contractors. If left in the hands of the contractors disposal could be carried out on individual properties in the construction area and unsightly areas could develop where the material is dumped. When the public property is unavailable, other arrangements would only be carried out with the concurrence of your Committee. The preferred alternate arrangement is disposal on large parcels of private property such as has been agreed to for the Algonquin Road and Vermilion Lake Road Projects.
