Subject: Sidewalk Café Program

Department Review:

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: R. R. Hortness, Co-ordinator of Traffic
and Transportation

Recommendation:

- That the City of Greater Sudbury implement a Sidewalk Café Program.
- That the Sidewalk Café Program be extended to any commercial areas within the City of Greater Sudbury.
- That the Sudbury Metro Centre continue to administer the Program for the City of Greater Sudbury.
- That to implement the proposed Program, Council approve the attached By-law.

Executive Summary:

A Sidewalk Café Program was implemented on a trial basis during the spring, summer and fall of 1999 and 2000. The program has been warmly accepted by both merchants and customers. As well, this program has added a pedestrian friendly quality to the Central Business District. This report recommends that this program be made permanent and expanded to all commercial areas within the City of Greater Sudbury and that the Sudbury Metro Centre continue to administer the program.

Background:

The former Regional Municipality of Sudbury and City of Sudbury together with Sudbury Metro Centre Management Board approached the former Public Works Committee in July of 1999 for the implementation of a trial policy to permit the use of sidewalks for "Sidewalk Cafés". The agreement was that Sudbury Metro Centre would administer the program with the Municipality offering minimum guidance and supervision. The joint submission to the Committee was implemented in 1999 and 2000. The first extensive use of the Café permits occurred in the spring, summer and fall of 2000.

The Municipality, working with Sudbury Metro Centre, have closely monitored this program. The responses in general have been favourable. Attached, as Exhibit "A" is correspondence from Sudbury Metro Centre requesting the implementation of a permanent program.

The program was initially implemented within the Central Business District of the former City of Sudbury. The City of Greater Sudbury has various commercial areas that could benefit from the implementation of the Sidewalk Café Program. Therefore the Sidewalk Café program should be opened up to all other commercial areas within the City of Greater Sudbury. Sudbury Metro Centre has agreed to partner with the City to continue to manage the program on the City's behalf for all commercial areas.

Dear Mr. Hortness:

RE: SIDEWALK CAFES

During the summer season of 2000, a good response was received from a number of Downtown Restaurants to participate in the *Sidewalk Cafe Program*. The program was temporary last year to allow us (and participants) to monitor and review the process (application, requirements, etc.) and make any adjustments necessary.

It appears that the process has worked well and I would recommend and request that we now make this program permanent.

We have had numerous inquiries for this season and have forwarded the attached letter and Application Form to our Downtown Restaurants (street level locations).

I will forward applications to you as they are received.

Thank you for your assistance with this program.

Sincerely,

Dear Mr. Clarke:

RE: SIDEWALK CAFES

It's that time of year - at least it appears to be! Spring is here and summer is just around the corner!

As in 2000, the City of Greater Sudbury is encouraging Downtown Restaurants to operate Sidewalk Cafes, over the months of May - September.

To facilitate the process, Sudbury Metro Centre will again act as 'liaison' for the approval process between the City and the Restaurants.

Attached is an **Application Form** which outlines the various requirements (the same as 2000). If you are interested in operating a **Sidewalk Cafe** this summer, please read the attached carefully, complete and return (with required attachments) to our office.

If you have any questions, please do not hesitate to contact myself or Brian Kuczma.

Sincerely,

Maureen M. Luoma

Both hotels are owned by the same person and the request is made as a joint venture to celebrate 100 years of serving the local community.

In accordance with Council's policy, this application was circulated to the Fire Chief, Police Chief, Director of Citizen & Leisure Services, the City Solicitor and the Co-ordinator of Traffic and Parking. Their concerns have been added to the conditions for approval.

The foregoing resolution has therefore been placed on the Agenda for your consideration.
