Subject: MUNICIPAL PERFORMANCE MEASUREMENT PROGRAM

Report Prepared By:

Dean Bergeron,
Manager of Internal Audit and
Performance Measurement

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

REPORT FOR INFORMATION

Executive Summary:

The purpose of this report is to provide an update to the earlier Information Report to Council, dated March 8, 2001, on the provincial Municipal Performance Measurement Program (MPMP).

As reported previously, the Province's intention of the MPMP is to provide taxpayers with an annual report card showing how well their local governments deliver key municipal services. For the first year of the program, 2000, 35 municipal performance measures will be reported.

The MPMP information required is currently being analysed by City staff and will be filed as part of the annual Financial Information Returns that are submitted to the Province. The deadline for reporting has been extended from April 30, 2001 to June 30, 2001. The Ontario CAO's Benchmarking Group has been advised that the performance indicators that must be reported to the public will not be the full 35 as originally announced, but will be 10 to 15 measures that are yet to be determined. The Ministry will follow with further details and dates shortly.

Background:

The details of the Municipal Performance Measurement Program (MPMP) were previously outlined in an Information Report to Council dated March 8, 2001 for the Council meeting of March 13, 2001.

In a letter from the Ministry received April 23, 2001 the deadline for submitting the Financial Information Returns (FIRs) was extended from April 30 to June 30, 2001 because of some difficulties with the new electronic FIR application. Since the schedules required for the new MPMP form part of the 2000 FIR, this deadline of June 30, 2001 will also apply to the submission of data for the MPMP. The Ministry has also advised that the municipal reporting of the results of the MPMP to the public, originally to be done by June 30, 2001, will therefore also be delayed. No date has yet been provided by the Ministry.

Staff from the City of Greater Sudbury are currently analyzing the MPMP data required to complete the current year's FIRs. For 2000 this information will be submitted on 8 separate FIRs - the 7 former municipalities and the former Region. Since the MPMP was announced late in 2000 some of the required information was not tracked and is therefore not available to be reported for 2000. Generally speaking, most of the required information on the performance measures is available for the former Regional services.

A number of municipalities involved in the Ontario CAO's Benchmarking Initiative, including the City of Greater Sudbury, recently met to discuss the 35 performance measures of the MPMP as they currently exist. A number of suggestions for improving the performance measures for 2000, as well as 2001, have been forwarded to the Ministry. It appears that the Province will now require municipalities to report to the public on only 10 to 15 of the measures, that are yet to be determined, and not the full 35 as originally required. Further details are expected shortly from the Ministry. The CAO's Benchmarking Group continues to meet, discuss and make recommendations to the Province on improving the MPMP.

His Worship Mayor Jim Gordon and
Members of the City of Greater Sudbury Council

Your Worship, Madam and Gentlemen:

Re: The Station (Urbana)

At the Council meeting of April 24th the issue of Urbana was raised. Accordingly I contacted Mr. John Jeza, Vice-President of Greater Sudbury Telecommunications Inc. who advised that the Greater Sudbury Telecommunications Inc. have not signed any contracts, Memorandum of Understanding or Letters of Intent with any of the vendors that have expressed a willingness to participate in the Station. Any activities undertaken by vendors have been at their own expense. Executive Summary

The City of Greater Sudbury will be conducting a sale of vacant land registered for tax arrears under the Municipal Tax Sales Act by public tender in June, 2001. Improved properties registered for tax arrears will be sold shortly thereafter.

Background

The City of Greater Sudbury has assembled a portfolio of approximately eighty-four (84) properties that are eligible to be sold pursuant to the Municipal Tax Sales Act. Approximately fifty-four (54) properties are vacant land and the remainder are improved properties.

The Finance Division with the assistance of Supplies and Services will be making arrangements for a public sale of these properties. Advertising will commence at the end of May and the first sale held in June. Only the vacant land properties will be offered for sale at this time. The improved properties will be offered for sale shortly after.

As a last collection effort, notices of this pending action will be sent to all assessed owners and mortgage holders, if any, prior to the first public advertisement announcing the sale.

The following outlines the procedures undertaken with respect to the collection of tax arrears.

- Regularly throughout each year, arrears notices are sent to the assessed owners of all properties on which taxes remain unpaid.
- Under the authority of the Municipal Tax Sales Act, for those properties which are three years in arrears, a notice of upcoming legal action is sent to the owner by registered mail.
- If payment is not received or if satisfactory re-payment arrangements are not made, a tax arrears certificate representing a lien against the property is registered on title in accordance with the Municipal Tax Sales Act. Notices are sent by registered mail to the registered owner and all parties having an interest in the property. An administration charge representing costs of collection is levied on the property.
- The property owner has one (1) year from the date of registration to pay the taxes and administration fee in full or enter into a tax extension agreement with the municipality.

**Subject: School Board Appointments to the Greater Sudbury
Public Library Board**

Department Review:

Doug Wuksinic
General Manager Corporate Services

Recommended for Agenda:

J.L. (Jim) Rule,
Chief Administrative Officer

Report Authored by:

Thom M. Mowry, City Clerk

Summary:

This Report deals with the appointment of school board representatives to the Greater Sudbury Public Library Board.

Two persons are to be appointed from Rainbow District School Board (as agreed to by the Conseil scolaire du district du Grand Nord de l'Ontario) and one person is to be appointed from the Sudbury Catholic District School Board.

In order to provide representation to French Separate electors, staff are recommending that the size of the Board be increased from the current nine (9) Members to ten (10). This recommendation has been reviewed with, and agreed to, by the Chair of the Greater Sudbury Public Library Board.

This will complete the required appointments to the Greater Sudbury Public Library Board.

Recommendations:

1. Resolution:

THAT the following representatives of Rainbow District School Board be appointed to the Greater Sudbury Public Library Board for a three (3) year term ending November 30, 2003:

- 1. Verna Gutsch**
- 2. Carolyn (Connie) White**

2. Resolution:

THAT the following representative of the Sudbury Catholic District School Board be appointed to the Greater Sudbury Public Library Board for a three (3) year term ending November 30, 2003:

- 1. _____**

3. By-law 2001-114A (3 readings)

THAT Council enact By-law 2001-114A: BEING A BY-LAW OF THE CITY OF GREATER SUDBURY TO AMEND BY-LAW 2001-23A, BEING A BY-LAW RESPECTING THE SIZE AND COMPOSITION OF THE GREATER SUDBURY PUBLIC LIBRARY BOARD BY INCREASING THE SIZE OF THE BOARD FROM NINE MEMBERS TO TEN MEMBERS.

Recommendations continued:

4. Resolution:

THAT the following representative of the Le Conseil scolaire catholique du Nouvel-Ontario be appointed to the Greater Sudbury Public Library Board for a three (3) year term ending November 30, 2003:

- 1. Suzanne Roy**

Background:

School Board Appointments to a Public Library Board:

Section 8 of the *City of Greater Sudbury Act, 1999* provided that on January 1, 2001, a library board for the City of Greater Sudbury was established under the name: Greater Sudbury Public Library Board ("Conseil des bibliothèques publiques du Grand Sudbury"). The existing public library boards of the former municipalities were dissolved on January 1, 2001.

By-law 2001-23A, BEING A BY-LAW OF THE CITY OF GREATER SUDBURY RESPECTING THE SIZE AND COMPOSITION OF THE GREATER SUDBURY PUBLIC LIBRARY BOARD provided for a nine (9) member Library Board.

Section 9(3) of the *Public Libraries Act* provides for School Board representation on a public library board and sets out the manner of their representation as follows:

1. Two of the members of the public library board shall be persons recommended by the board of education and one member shall be a person recommended by the separate school board, if any, unless paragraph 2 applies.
2. If separate school electors are a majority of electors in the municipality, two of the members of the public library board shall be persons recommended by the separate school board and one member shall be a person recommended by the board of education.

3. If there is more than one board of education or more than one separate school board, in each case the board that is supported by the largest number of electors of the municipality shall make the recommendation or recommendations.

The electoral breakdown, based on the November 2000 Voters' List shows that the largest group of electors is English-Public (50%), followed by English-Separate (25%). A breakdown by school support is illustrated on the following pie chart.

	Rainbow District School Board
	Conseil scolaire du district du Grand Nord de l'Ontario
	Sudbury Catholic District School Board
	Le Conseil scolaire catholique du Nouvel-Ontario

Under the existing legislation, the District School Boards are entitled to recommend three (3) Board Members. Based on the number of electors, the English-Public District School is entitled to two (2) representatives and the English-Separate District School Board is entitled to one (1). Unfortunately, French-Separate electors, who represent 21% of voters in the City of Greater Sudbury, would have no representation on the new Library Board.

The current Library Board, as established by By-law 2001-23A, is composed of nine (9) members. The Public Libraries Act permits a Board of at least nine (9) members and no more than fifteen (15).

City staff have met with Councillor Callaghan, Chair of the Greater Sudbury Public Library Board to review this matter.

Councillor Callaghan concurred with Staff that a recommendation be made to Council to increase the size of the Board by one additional member, who would be the recommended appointee of the French-Separate School Board (Le Conseil scolaire catholique du Nouvel-Ontario).

All four District School Boards were requested to consider recommending more than one person so that the broadest geographical representation from the new City of Greater Sudbury could be achieved.

Accordingly, as indicated above, By-law 2001-114A appears on Council's Agenda for three (3) readings, and would increase the complement of the Greater Sudbury Public Library Board to ten (10) by adding one additional Member. If enacted, Council would then deal with the appointment of a representative from Le Conseil scolaire catholique du Nouvel-Ontario.

English and French Public School Board Recommendations:

The following individuals have been recommended by the Rainbow District School Board for appointment to the Board of the Greater Sudbury Public Library Board for the term ending November 30th, 2003.

- 1. Verna Gutsch**
- 2. Carolyn (Connie) White.**

As indicated on the attached correspondence, these two appointees would represent both the Rainbow District School Board (English-Public) and the Conseil scolaire du district du Grand Nord (French-Public).

English Separate School Board Recommendations:

The Sudbury Catholic District School Board has recommended the following persons for appointment:

- **Roberte Cunningham**, 45 Moonlight Avenue, Sudbury
- **Jody Cameron**, 30 Frank Street, Capreol.

As there are more qualified applicants than positions available, a roll call vote of Members of Council shall be taken, in accordance with Article 36 of the Procedural By-law. A copy of Article 36 is attached to this report.

By-law 2001-114A

Before Council can deal with the appointment of the French-Separate representative, the size of the Greater Sudbury Public Library Board must be increased from nine (9) Members to ten (10) Members.

It is recommended that Council enact By-law 2001-114A in order to provide for representation from Le Conseil scolaire catholique du Nouvel-Ontario.

French Separate School Board Recommendation:

If Council enacts By-law 2001-114A, then it may proceed to consider the recommendation of the Conseil scolaire catholique du Nouvel-Ontario:

- **Suzanne Roy**, 42, croissant Monique, Garson.

Selection of English Separate School Board Appointees:

It is recommended that all of the applicants' names be placed in nomination by Council using one motion containing the names of all the applicants. **The Mayor, as Chair, has the option of waiving the reading of the motion.**

Where all Members of Council are in attendance, seven (7) votes are required to fill each vacancy. Each Member of Council will be entitled to one (1) vote.

In the event not all Members of Council are in attendance, a Majority Voting Chart is attached for Council's reference.

If, on the first vote, no nominee receives the votes of more than one-half of the number of all Members of Council present (that is: 7 or more votes), then the nominee receiving the fewest number of votes is excluded from the voting. The vote shall be taken again by the Clerk, and if necessary more than one vote, excluding in each successive vote the candidate who received the fewest number of votes in the preceding vote, until one candidate receives more than one-half the votes of the Members of Council present and voting.

Where the votes cast in any one ballot are **equal for all the nominees**:

- ➡ if there are three or more nominated or remaining, the Clerk shall, by lot, select one such candidate to be excluded from the subsequent voting;
- ➡ if only two candidates remain, the tie shall be broken and the vacancy shall be filled by the candidate selected by lot conducted by the Clerk.

Where no applicant receives the majority required for appointment on a roll call vote, and where **two or more applicants are tied with the least number of votes** a special roll call vote shall be taken to decide which of the tied applicants with the least number of votes shall be dropped from the list of names to be voted on in the next roll call vote.

The term ***lot*** means the method of determining the candidate to be excluded or the candidate to fill the vacancy, as the case may be, by placing the names of the candidates on equal size pieces of paper placed in a box and one name being drawn by the Clerk.

It is quite likely, because of the number of candidates seeking the vacancy, that on the first vote one or more candidates may not receive any votes. Those candidates receiving zero votes will all be excluded from the next round of voting.

For the convenience of Members of Council a series of charts have been prepared and are appended to this Report which show examples of various tie votes.

When the number of nominee(s) required to fill the vacancy or vacancies on each Board receives 7 or more votes (assuming that all 13 Members of Council are in attendance), then an appropriate resolution shall be introduced for consideration by Council.

Madame,

Je vous signale mon intérêt à siéger au comité de la bibliothèque de la Ville du Grand Sudbury comme représentante du Conseil scolaire catholique du Nouvel-Ontario.

Les bibliothèques publiques sont un outil indéniable au développement de toutes les communautés. La création de la nouvelle Ville du Grand Sudbury et la mise sur pied de tous nouveaux comités nous permettra, dès le départ, de faire la différence quant à la qualité de la prestation des services en français.

L'accès à de la documentation dans sa langue maternelle est essentielle au développement personnel et est primordial pour définir l'identité culturelle de chaque individu. Un éventail de matériel en français, tant pour les plus jeunes, pour les adolescents, les adultes et les aînés est nécessaire. Livres divers et revues, matériel de référence, statistiques et matériel pédagogique... disponibles partout en français servent à développer le goût de la lecture chez les jeunes et à répondre aux besoins croissants d'une population vieillissante.

Espérant que ma demande sera prise en considération, recevez, Madame, mes salutations distinguées
