

September 5, 2001

Members of Council
City of Greater Sudbury

Dear Councillors,

At our next Council Meeting, it will be my honour to be presented with a Chain of Office. This is yet another memorable event in the history of our new municipality.

The new Chain of Office has been graciously donated to the City of Greater Sudbury by the Rotary Club of Sudbury. Making the presentation will be Ms. Michal Vezina, Past President. Mr. Gerry Lougheed Sr., Past President and Honourary Member of the Sudbury Rotary Club, will also be with us in the audience. I know that you will be interested to know that in 1965, Mr. Lougheed Sr. presented then City of Sudbury Mayor Joe Fabbro with a Chain of Office. Again, we thank the Rotary Club for continuing with its strong tradition of community service.

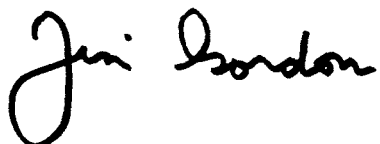

The history of mayoral chains of office is a colourful one. In medieval times, the official seal of a community was worn on the neck of the Chief Magistrate, suspended by a sturdy chain. His sworn duty was to protect this instrument of civic legality at all costs. Today, the Chain of Office, which incorporates the civic coat of arms is recognized by all as a symbol of dignity, authority and responsibility inherent in the principal elective municipal office.

As you will see, the new chain bears a fob with the logo of the City of Greater Sudbury. Once a new heraldic crest is approved, the fob will be redesigned with the City's coat of arms.

Also in the audience will be five young business people and a Rotary Club member from Korea, who are taking place in a study exchange.

I know that Council will join me in welcoming our special Rotary Club guests to our meeting on this very special occasion.

Yours sincerely,

Jim Gordon
Mayor

Subject: Funding Issues - Community Care Access Centres

Department Review:

Mark Mieto
General Manager
Health and Social Services

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by:

Mark Mieto, General Manager

Recommendation:

Whereas the need for home care services is rapidly growing in Ontario due to the aging of the population and hospital restructuring, and

Whereas the prices paid by Community Care Access Centres (CCACs) to purchase home care services for their clients are rising due to factors beyond the control of CCACs, and

Whereas the funding provided by the Ontario Government, through the Ministry of Health and Long-Term Care (MOHLTC), is inadequate to meet the growing need for home care services, and

Whereas the funding shortfall, coupled with the implications of Bill 46, The Public Sector Accountability Act, currently before the Legislature, are forcing CCACs to make deep

cuts in home care services, and

Whereas value-for-money audits of CCACs will demonstrate that CCACs are employing good management practices, and that such practices alone may not provide a full solution to their financial challenges, and

Whereas the Equity Funding Formula used to distribute home care funding does not recognize key factors such as population health and their impact on demand for home care,

THEREFORE BE IT RESOLVED that the Mayor and Council's Committee on Seniors' Issues recommends that the Council of the City of Greater Sudbury urge the Minister of Health and Long-Term Care in Ontario to recognize the funding issue for home care in Ontario, because of the implications for an aging population and for the stability of the broader health sector and that

The Ontario Minister of Health and Long-Term Care urge the Provincial Government to review its position concerning the funding of home care , and that

Further this resolution be sent to the Federal Minister of Health, local Federal and Provincial Members of Parliament, the Association of Municipalities of Ontario, and the Federation of Northern Ontario Municipalities of Ontario, and other concerned local organizations.

Background:

Representatives of the Manitoulin Sudbury Community Care Access Centre met on June 27, 2001, with the Mayor and Council's Committee on Seniors' Issues to explain the impact of funding reductions on the home care program. A resolution which is the recommendation of this report was passed by the Mayor and Council's Committee on Seniors' Issues to be forwarded to City Council for approval. The Committee is also requesting Council to urge community groups to support the recommendation.

The Community Care Access Centres across the Province of Ontario are facing a \$175 million deficit. The Ministry of Health and Long-Term Care has requested all Community Care Access Centres to develop and submit deficit reduction plans to their local area offices.

In the Manitoulin Sudbury area, the deficit reduction plan requires a reduction of \$1.827 million in services and other administrative changes such as:

- a.) Medical supplies - eliminate incontinence supplied; generic approach and minimal supply to clients going to other CCAC areas
- b) Equipment - rental equipment only until client has decided to purchase
- c) Utilization Management - new case management and therapy guidelines

- d) Homemaking and personal support - waiting period of one month for homemaking; no homemaking to people with access to supportive housing; limitation of after hour referrals; implementation of a means test for homemaking
- e) Eligibility - no professional service to people able to access hospital services; no top up to other service providers' programs; reduction of Occupational and Physio Therapy to long-term care facilities
- f) Administration - removal of new positions; delay acquisition of new office space for speech services; limit assisted devices program authorization role; reduction in professional development budget.

The main reason for the deficit of \$1.827 million in the current budget of the Manitoulin-Sudbury Community Care Access Centre is due to inflationary cost increases of \$1.6 million. At the Provincial level, the reasons for the budget problem results from the \$800 million reduction in the Ministry of Health and Long-Term Care estimates announced by the Minister of Finance in the Provincial Budget on May 9, 2001.

The seniors staff of the Ministry of Health and Long-Term Care have advised the CCACs there will be no further funds on deficits bail outs in 2001.

The Manitoulin-Sudbury Community Care Access Centre has decided to communicate to the public and concerned organizations the impact the Ministry's budget reductions is having on the services provided by the agency.

Subject: CONTRACT 2001-26
MAIN STREET BRIDGE REHABILITATION
CHELMSFORD, ONTARIO

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: Angelo Dagostino, P. Eng.,
Roads and Drainage Engineer

Recommendation:

That Contract 2001-26 Main Street Bridge Rehabilitation, Chelmsford, Ontario, be awarded to Belanger Construction (1981) Inc., in the tendered amount of \$395,607.89. This being the lowest tender meeting all contract specifications.

Background:

Northland Engineering was retained this year to identify and prepare contract documents to correct deficiencies to the Main Street Bridge in Chelmsford.

Tenders for the subject contract were opened at the Tender Opening Committee at 2:30 p.m., local time on 2001-09-05 and the following is a summary of the tenders received.

BIDDER	TOTAL CONTRACT PRICE (including taxes)
Miller Paving Limited	\$432,798.95
TeraNorth Construction & Engineering Limited	\$484,868.63
NorEng Construction	\$595,594.10
Belanger Construction (1981) Inc.	\$395,607.89
Pioneer Construction Inc.	\$618,378.69
Peter Kiewit Sons Co. Ltd.	\$483,950.30

The lowest tender for the subject contract meeting all specifications was received by Belanger Construction (1981) Inc., in the amount of \$395,607.89. We reviewed this tender and it is recommended for approval.

The approved Capital Budget for 2001 includes \$3,750,000 for the rehabilitation of a number of structures in the City of Greater Sudbury. A budget of \$370,000, (400-5797) Main Street Bridge, Chelmsford has been allocated to correct deficiencies to parapet walls, deck, abutments, expansion joints and some structural members for this bridge. An additional amount of approximately \$26,000 will be provided from capital contingency account 400-5793.

Subject: CONTRACT 2001-29
STORM DRAINAGE SYSTEMS
(VARIOUS LOCATIONS)

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: Angelo Dagostino, P. Eng.,
Roads and Drainage Engineer

Recommendation:

That Contract 2001-29 Storm Sewer System (Various Locations), be awarded to Garson Pipe Contractors Ltd., in the tendered amount of \$438,153.23. This being the lowest tender meeting all contract specifications.

Background:

A number of storm drainage improvements were identified and approved as part of the overall approved 2001 Capital Budget.

Contract 2001-29 Storm Drainage (Various Locations) will correct deficiencies to some of the approved locations. Work includes culvert replacement; replacement of deteriorated pipes and structures and construction of a new system.

Tenders for the subject contract were opened by the Tender Opening Committee at 2:30 p.m., local time on 2001-09-05 and the following is a summary of the tenders received:

BIDDER	TOTAL CONTRACT PRICE (including taxes)
Cecchetto & Sons Ltd.	\$713,928.61
Garson Pipe Contractors Ltd.	\$438,153.23
TeraNorth Construction & Engineering Limited	\$492,041.09
Interpaving Limited	\$469,387.60
R. M. Belanger Limited	\$502,435.62
Pioneer Construction Inc.	\$467,157.11

The lowest tender for the subject contract that meets all specifications was received by Garson Pipe Contractors Ltd. in the amount of \$438,153.23.

We have reviewed this tender and it is recommended for approval.

Funding for the approved capital work is provided as follows:

ACCOUNT	DESCRIPTION	BUDGET (total including taxes)
400-5800	Redfern Storm Sewer	\$80,000.00
400-5802	Laurentian S.S. Phase II	\$50,000.00
400-5806	D - 6 th Avenue, Lively S.S.	\$30,000.00
400-5808	Mumford Drive, Lively Culvert Replacement	\$110,000.00
400-5809	Spruce/Birch Street, Garson	\$70,000.00
400-5810	White Avenue, Val Caron Storm Replacement	\$40,000.00
400-5793	Contingency (Capital Projects)	\$60,000.00
TOTAL		\$440,000.00

Report Date: August 27, 2001

Meeting Date: September 13 , 2001

Subject: Award of Quotation - Black Lake Road, Lively, Public Works Depot Renovations

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: D. Bélisle

Recommendation:

That the quotation for renovations to the Public Works Black Lake Road depot be awarded to 939604 Ontario Inc., operating as Quality Contracting, at the tendered price of \$126,934.10.

Background:

Quotations for renovations to the Public Works Black Lake Road depot were opened on August 22, 2001. The results are as follows:

BIDDER	AMOUNT
939604 Ontario Inc., o/a Quality Contracting	\$126,934.10
Capital Construction Northern Inc.	\$134,500.00
343315 Ontario Ltd., o/a LaRo Construction	\$159,578.73
J. N. Construction Limited	\$147,981.00

All quotations were reviewed in detail and no errors were detected. We recommend award to the lower bidder meeting all specifications, 939604 Ontario Inc. operating as Quality Contracting.

The proposed works involve interior renovations, washrooms, showers, and lockers to accommodate Public Works staff currently working in five former Regional and Town of Walden depots. Four of these depots will be closed, with all operations consolidated at the former Town of Walden Town Office and Works Depot.

The Transition Board allocated a budget of \$3,047,500 for Works Depots consolidations/renovations/construction. Minor renovations have been completed at the St. Clair and Frobisher depots in the former City of Sudbury. Negotiations are currently underway with a property owner adjacent to the former Regional depot in Chelmsford, and the plan there is to expand the depot at its current location. In the former City of Valley East, we propose to close the former Valley East depot on Desmarais Road, and to close the former Regional depot on R. R. #84 at Suez Drive. We propose to consolidate all Public Works operations for this area in a new depot in the Valley East Industrial Park in Val Caron.

Report Date: August 30, 2001

Meeting Date: September 13, 2001

Subject: Contract 2001-3
Sanitary Sewer Relining, Various Locations

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: Allan Sweetman, P. Eng., Sewer and Water Engineer

Recommendation:

That Contract 2001-3 Sanitary Sewer Relining, Various Locations be awarded to Sewer-Matic Drain Service Ltd., in the tendered amount of \$207,340.11, this being the lowest tender meeting all contract specifications.

Executive Summary:

The approved 2001 Capital Budget includes a number of provisions for the upgrading of municipal sewers within the City of Greater Sudbury.

Contract 2001-3 Sanitary Sewer Relining, Various Locations allows for a no-dig repair of sewers to improve structural and flow characteristics of the mains and eliminate infiltration.

The lowest tender meeting all contract specifications was submitted by Sewer-Matic Drain Service Ltd. in the tendered amount of \$207,340.11, this being the lowest tender meeting all contract specifications and is recommended for approval.

Background:

Tenders for the subject contract were opened at the Tender Opening Committee meeting at 2:30 p.m., local time, Tuesday, August 28, 2001.

Summary of the tenders received are:

BIDDER	TOTAL \$ TENDERED AMOUNT (including taxes)	REVISED \$ TENDERED AMOUNT (including taxes)
Sewer-Matic Drain Service Ltd.	\$207,340.11	-
Inliner Canada Inc.	\$224,686.95	\$224,687.16
Insituform Technologies Limited	\$228,047.82	\$235,875.83
Summit Pipeline Services Ltd.	\$276,076.51	\$276,076.51

In checking the tenders received, staff has determined that an error has been made by Inliner Canada Inc. in the extension of the unit price bid.

In checking the tenders received, staff has determined that an addition error has been made by Insituform Technologies Limited.

In checking the tenders received, staff has determined that an extension error and an addition error has been made by Summit Pipeline Services Ltd. with no change in the final price.

The lowest tender for the subject contract meeting all specifications remains unchanged and was received by Sewer-matic Drain Service Ltd. in the amount of \$207,340.11.

The Engineer's estimate for this tender is \$200,000.00 and this tender is funded from the approved 2001 Capital Budget as summarized below:

ACCOUNT	CATEGORY	BUDGET
400-5653	Sewer	\$200,000.00

NOTE: With the Municipal G.S.T. rebate, the tendered amount would only be \$199,589.07.

Report To: CITY COUNCIL

Report Date: August 28, 2001

Meeting Date: September 13, 2001

Subject: Disposal of Surplus Fill, Contract 2001-2, Falconbridge Trunk Watermain, Lebel to Old Falconbridge Road, City of Greater Sudbury

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: K. Shaw, Co-ordinator of Construction Services

Recommendation:

That due to a lack of suitable land available for disposal of excavated material for Contract 2001-2, Falconbridge Trunk Watermain - Lebel to Old Falconbridge Road, City of Greater Sudbury, that disposal take place on Parcels 53577, RP 53R8146 Part 4, RP 53R14533 Part 1, 53R-16872 Part 1, 48177, RP 53R7413 Part 3 and RP 53R7413 Part 4, Lot 11, Con. 5, Township of Neelon (City of Greater Sudbury) owned by Gravel Holdings Inc. and 772252 Ontario Inc.

Executive Summary:

Due to a lack of suitable land available for disposal of excavated material for Contract 2001-2, Falconbridge Trunk Watermain - Lebel to Old Falconbridge Road, that disposal of surplus fill take place on the above noted parcels of land.

Background:

Regional policy previously established by the Public Works Committee, requires that surplus material from construction projects be disposed of on public property with the exception that property owners providing easements may obtain the material from the easement. Resolution 83-113 of the Engineering Committee and the report dated August 30, 1983, outline the policy (see attached).

The City of Greater Sudbury has provided a location at the Sudbury Landfill Site Frobisher Depot and the City's snow dump, however, we feel that alternate location may be required to receive excess fill.

A request has been received from Harris Movers who have land for such disposal adjacent to Falconbridge Road.

Report Date: 2001-09-04

Meeting Date: 2001-09-13

Subject: FIREWORKS DISPLAY: FALCONBRIDGE LEGION BRANCH 336
ANNUAL COMMUNITY DAY, SEPTEMBER 22ND, 2001

Department Review:

Doug Wuksinic,
General Manager of Corporate Services

Recommended for Agenda:

Jim Rule,
Chief Administrative Officer

Report Authored by: T. Mowry, City Clerk

Recommendation:

THAT Council grant its approval to the Falconbridge Annual Community Day Committee for a low hazard fireworks display to take place on the football field located between Fire Station #2 and the Royal Canadian Legion, Falconbridge on Saturday, September 22nd, 2001 as part of the Town of Falconbridge Annual Community Day celebration, subject to the following conditions:

1. That this approval is subject to the attendance of one or more licensed individuals for the purpose of setting off the fireworks.
2. That the Applicant shall ensure proper clean up of the site and adjacent properties no later than 12:00 o'clock noon, Monday, September 23rd, 2001.

3. That the Applicant shall conform in all respect to Part 5 (Hazardous Material, Processes and Operations) of the Ontario Fire Code and the Display Fireworks Manual of Natural Resources Canada.
4. That the Applicant understands and agrees that in the event a Fire Ban is reinstated for the City of Greater Sudbury that this permission may be withdrawn unless a letter of consent for the discharge of the proposed Fireworks display is obtained from the Fire Services Division of the Emergency Services Department no later than the day of the event.

Background:

Attached is a copy of a letter from Ron Chevrier, Captain, Station #2, Falconbridge, requesting Council approval of a fireworks display for the Falconbridge Annual Community Day on September 22nd, 2001.

The Sudbury Fire Department has no objection to the fireworks display provided that one or more licensed technicians will be in attendance for the purpose of setting off the fireworks.

The foregoing resolution has been placed on the Agenda for your consideration.

To - Mr Thom Mowry

The town of is having its annual Community Day on Sept. 22, 2001 at the Royal Canadian Legion, Br 336. The firefighters of Station #2 Falconbridge and the legion have put on this display for the past 20 years. Captain Ron Chevrier will be supervising this display. At least three other fireman, whom all are ~~their~~ Certified by the Natural Resources of Canada Level #1. Ron's card # D04016.

The display consist of 50 mm to 102 mm high range shells and one Board of 50 low range shells. This display last about 25 to 30 minutes. Every shell is clearly marked and accounted for before and after the fireworks display. On the following day the fireman inspect the firing site. All refuse and shells are cleaned up and accounted for.

The fire works are purchase from Hands Fireworks Inc. Milton Ontario. 1-800-268-5034. Fax 905-878-8089. Insurance is covered by Br 336, insurance company "Inves company". Map of site included.

No one is allowed on field while display is on. Spectators are on hillside by Legion, or fire hall and seniors Club. The firing site will depend on wind direction. The 300 ft. required by the safety standered for spectators is well taken care off from all sides. The park is at least 10 to 15 ft. down from the ~~4~~ road.

FIREWORKS SUPERVISOR DECLARATION

(To be fully completed and signed by the fireworks supervisor and forwarded with "The Purchaser's Certification", the Fireworks Order and "Application to Purchase")

- I have fully and accurately completed the application to purchase and acknowledge that the type(s) of fireworks indicated on the order form are suitable for the conditions of the firing site and suitable to my abilities as a supervisor.
- I am an E.R.D. Fireworks Supervisor and will adhere to all regulations and guidelines set forth in the E.R.D. Fireworks Manual.
- The number of displays that I have supervised and/or fired are: 20.
- The three most recent displays that I have supervised are detailed below:

Location	Date (Y/M/D)	Quantity and Type of Firework (ie: Set pieces, Low or Mid Level, Aerial Large Shells)	Firing Style (Hand / Electric)	Fireworks Supplier
a) FALCONHEAD	01 09 22		HAND & ELECTRIC	HANDS FIREWORKS
b)				
c)				

- I have included with this declaration a sketch of the proposed firing site and have indicated (in accordance with the sketch in the HANDS catalogue) the distance relationship between the firing area and the crowd control barriers, the spectators location, the firework debris "fall-out zone", the wind direction and the flight path of ascending fireworks. I have also indicated distances to neighbouring buildings or structures, streets or parking lots, hydro/telephone lines or towers, and fields and forests.
- I will fully inspect all supplies and equipment that are intended for use and will ensure that all items are in optimum condition. I will only use mortars (FRE or HDPE), portfires, quickmatch, squibs and pyrotechnic effects that have been supplied by HANDS Fireworks.
- Method of firing: Hand ☒ Electric ☒
- Method of mortar stabilization used:
Wooden racks ☐ Metal racks ☐ Metal rails ☐ Sand boxes ☐ Bured in ground ☒
- I will exercise due diligence in assuring that no alcohol is consumed by members of the firing party before or during any or all aspects of handling, including set-up, discharge and clean-up of display fireworks.
- I will perform a complete search for and clearance of "live" firework debris at the conclusion of the display and during daylight hours immediately following the display. I will ensure the safe disposal of "live" firework debris and if necessary, will consult HANDS Fireworks for assistance.
- I have encountered problems, incidents or injuries at previous displays: NO (Yes/No)
The occurrences were: _____ The actions taken were: _____

- I will notify HANDS Fireworks in the event of any problems with the display. I will include the details on my Supervisor's report that I will complete and forward to HANDS Fireworks - Milton office within 14 days of the firework event.

I certify, I have read and understand this declaration and that it has been completed with accuracy and honesty.

Subject: Special Occasion Permit
Ukrainian National Federation's 27th Annual Yarmarok,
October 19th to 21st, 2001

Department Review:

Doug Wuksinic,
General Manager of Corporate Services

Recommended for Agenda:

Jim Rule,
Chief Administrative Officer

Report Authored by: R. Leblanc, M.L.E.O.

Recommendation:

This Council has no objection to the issuance of a special occasion permit to Peter Hucal of the Ukrainian National Federation, 130 Froot Road. The request is made to facilitate their Annual Yarmarok to be held on October 19th to 21st, 2001 and the hours of operation will be between the hours of 12:00 noon and 1:00 a.m. with an anticipated attendance of 400 people each day of the event.

And further that this Council confirms the nature of this event as a Community Festival and that it is of municipal significance to our Community; And that the foregoing approval be subject to the following conditions:

1. That the event representative ensure emergency vehicles have access to the event area;
2. That all Ontario Fire Code regulations must be adhered to, in particular, with respect to Section 2.8 that indicates a Fire Safety Plan is required for this event;
3. That no bonfires of any kind, barbecues or similar types of cooking devices shall be operated on the site without the consent of the Fire Chief, and that an approved fire extinguisher be provided for each of the foregoing;
4. That when outdoor amplified sound equipment is in use, all speakers and speaker stacks shall be positioned to tilt downward into the audience or crowd versus projecting straight over the crowd or adjoining properties;
5. That the event representative or his designate must be present on the site during the entire duration of the event.
6. That the event representatives ensure the provision of adequate clean-up of the site and those properties adjacent to the event.

Background:

Attached is an application submitted by Mr. Peter Hucal on behalf of the Ukrainian National Federation, requesting Council's approval for a special occasion permit to facilitate their Annual Yarmarok which will be held on October 19th to 21st, 2001 at 130 Frood Road, Sudbury as a fund raiser for the said Ukrainian National Federation.

There will be a polka night, ethnic food and bake table, penny and craft tables, performance of children from the School of Dancing and a cabaret night.

In accordance with Council's policy, this application was circulated to the Fire Chief, Police Chief, Director of Citizen & Leisure Services, the City Solicitor and the Co-ordinator of Traffic and Parking. Their concerns have been added to the conditions for approval.

The foregoing resolution has therefore been placed on the Agenda for your consideration.

Re: Community Festival Permit
October 19, 20, 21st.

Dear Mr. Rule:

As in previous years, we require a letter from you which states that you have no objections to a Community Festival Permit being issued for our Annual Yarmarok which will be held on October 19, 20 and 21st at the Ukrainian National Federation Hall.

Any money realized is returned to further advance the Ukrainian Culture at the Ukrainian National Federation.

We would appreciate hearing from your at your earliest convenience.

Sincerely,

Peter Hucal
Coordinator

Recommended for Agenda:

Jim Rule,
Chief Administrative Officer

Report Authored by: T. Mowry, City Clerk

Recommendation:

THAT Members of Council and the Chief Administrative Officer for the City of Greater Sudbury be authorized to attend the 2001 AMO Counties, Regions and CMSMs Conference to be held from October 14th to 17th, 2001 at the Deerhurst Resort, Huntsville, Ontario.

Background:

The 2001 AMO Counties, Regions and CMSMs Conference will take place at the Deerhurst Resort, Huntsville, Ontario from October 14th to 17th, 2001. A copy of the Registration Form and Agenda is attached for your information. Additional conference information will be forwarded to Members of Council wishing to attend the Conference as it is received in the office of the City Clerk.

An Important Event to Attend

OCTOBER 14 - 17th, 2001

COUNTIES, REGIONS and CMSMs Conference

AMO and the District of Muskoka are very pleased to announce the annual Counties, Regions and Consolidated Municipal Services Managers conference to held, in Huntsville, Muskoka at the Deerhurst Resort and Conference Centre, October 14-17th, 2001.

This fall conference is always popular with elected and staff officials who have the responsibilities of upper tiers and consolidated municipal service managers.

This year a number of Cabinet members, and senior government officials have been invited to outline the latest government policies. A complete and conference program will be released shortly.

To avoid disappointment, book your accommodation early!

Subject: Lisgar Street - On-Street Parking

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: D. Kivi, Traffic Analyst

Recommendation:

That one metered parking space on the West side of Lisgar Street, just North of Cedar Street, be eliminated and replaced with a "No Parking" zone, to permit the pick-up and drop-off of disabled persons;

That to implement the above change, the City of Greater Sudbury's Traffic and Parking By-law 2001-1 be amended as per Exhibit "A".

Executive Summary:

Recently, Lisgar Street has been reconstructed between Elm Street and Larch Street. Parking meter zones have been provided along both sides of the street.

A representative of the Federal Government has advised that space is not available for disabled persons to be picked up or dropped off near their building, as the metered parking spaces are usually occupied. Although parking at any meter is free for people displaying a disabled parking permit, the City does not designate on-street parking spaces for the sole use of disabled persons. Therefore, it is recommended that one parking space be eliminated and replaced with "No Parking" which permits the loading and unloading of passengers and merchandise.

Background:

Lisgar Street is located in the Central Business District of the City of Greater Sudbury. It has just been reconstructed with various streetscape improvements between Elm Street and Larch Street. Parallel parking meter zones have been installed along both sides of the street.

The City's Traffic and Transportation Department received a complaint from a representative of the Federal Government that their disabled clients have no convenient place to park on Lisgar Street to access the building. Human Resources Development Canada (HRDC) is located at the corner of Lisgar Street and Cedar Street. Due to the programs that HRDC administers, many of their clients are disabled.

All of the City's metered parking spaces are free for up to four consecutive hours for vehicles displaying a disabled person parking permit. However, individual spaces on a public road are not reserved for their use. Due to the high demand for on-street parking downtown, often convenient parking spaces are not available.

To try and accommodate the needs of HRDC's disabled clients, it is recommended that one parking meter be removed and replaced with "No Parking". The no parking zone permits vehicles to stand temporarily for the purpose of and while actually engaged in loading or unloading of merchandise or passengers. Therefore, the space should be available for this purpose most of the time.

September 5, 2001

Your Worship Mayor James Gordon and Members or Council,

**Re: Annual Review of Centre Operations and Progress of Older Adult Centre
Sudbury/Centre des Aînés de Sudbury**

After over a decade of careful planning, Older Adult Centre Sudbury/Centre des Aînés de Sudbury opened its doors to the public on August 2, 2000. The Sudbury community was eager to see the Centre and to learn about what it would offer Sudbury's Older Adults. On October 1st, 2001, the International Day of Older Persons, a grand opening celebration was held, marking the beginning of what was to be a very successful first run at programming and the creation of partnerships within the community. By this time over 350 members were registered and were signing up for courses and classes that ranged from introduction to computers to line dancing.

The attached document has been prepared by Tina Pilon, the Centre's manager to provide a brief overview of the Centre's successes and partnerships for the first year of operations as well as some the future plans for growth.

In recognition of your continuing support, I would like to invite his Worship Mayor Gordon, all members of Council and Staff of the City of Greater Sudbury to the 1st Anniversary Celebration of Older Adult Centre Sudbury which will be held Monday October 1, 2001. This open house celebration will include entertainment, program demonstrations and a corn roast throughout the day.

Please feel free to drop by the Centre at any time to see what the Older Adults of Sudbury are doing.

Sincerely,

Bill Babij
Chair of the Board of Directors, O.A.C.S.

incls.

2000-2001 Year in Review

In just a year the Centre has been able to develop a wide range of programming and services for its 800 members. Partnerships with community organizations and services, as well as the development of a strong volunteer program have been the two keys to the Centre's success. The following is a brief over view of the Centre's development.

Goals of Older Adult Centre Sudbury/Centre des Aînés de Sudbury

- To provide social, recreational, educational and other programs and services for Older Adults.
- To provide a clean, safe and accessible facility for members .
- To support members in initiating activities that meet their own needs.
- To promote the wellness and independent living of Older Adults throughout the City of Greater Sudbury.
- To provide, where necessary, direct programming for Older Adults.
- To actively participate, promote, and support the interrelatedness of the diverse partnerships of the Centre For Life.
- To actively participate, promote, and support the exchange of ideas and social intercommunication with other organizations within the broader community, for the mutual benefit and enjoyment of Older Adults.
- To serve as a resource centre, in the future, for other groups and agencies working with, and for, Older Adults.

Membership

As we approach our Anniversary date of the grand opening, membership has reached to approximately 800 active and adventurous persons. Membership is 50 years of age and better and it costs only \$35 for the year which entitles a member access to all drop in activities and events, use of the games room, and access to a variety of courses on a first come first serve basis at a reduced membership rate. As a member, a person has the right to attend and vote at the General Meetings and to run for and elected position to the Board of Directors. A discretionary fund is available for those who are not able to afford a membership.

Operation and Governance

The Board of Directors is composed of nine members. The term of office for a Board member is two years. Each year 4 new Board members are elected from the membership, while 3 members from the previous year are re-elected to ensure continuity. The Board also includes the past chair and an appointed Councillor by the City of Greater Sudbury Council.

Currently the Centre is staffed by Tina Pilon, Manager, Jeff Pafford, Program Director and Dan Labelle, Kitchen Coordinator who are responsible for the daily operations of the Centre.

Volunteer Program

The operation and success of the Centre is supported by over 80 active volunteers. Volunteers offer their expertise and skills to support the front desk administration, kitchen catering services, special events organizing, computer tutoring and supervision and tending to the greenhouse and the flower bed in the front of the Centre for Life. In just a year Volunteers have logged over eight thousand (8,000) hours. Committees continue to grow to address the needs of the Centre such as promotions and fund raising.

Programs and Services

The Centre offers programming and special events on a cost recovery basis. If there is a cost for a qualified instructor and materials, the program will have a fee to cover these costs. There are many drop in activities that members can participate in. Non-members are also welcome to sign up for structured classes, but must pay a \$5.00 non-member fee. A discretionary fund is available for those who are not able to afford a program. The following is a brief sample of programs and services available:

Exercise	•	Yoga, Tai Chi, Jive, Line Dancing, Square Dancing
Arts	•	Arts and Crafts Club, Carving and Stained Glass, Water Color Painting, Folk Art painting, Learning to Knit, Weaving.
Workshops	•	CCAC, Osteoporosis, Financial Advice, Revenue Canada, Income Security Programs, Quilt making
Clinics	•	Flu Shot, Income Tax Assistance Clinic
Special Event	•	Monthly Dances (Tropics, Party Gras), Christmas membership dinner, Christmas Craft Sale, Get Away Day
Skills Building	•	Computer beginners, Internet topics. The computer lab is one of our most demanded areas.
Games	•	Cards, Pool, Darts, Summer Games host
YMCA Facility Access	•	Swimming, Walking track, Aqua Fitness, Forever Fit
Social	•	This informally happens on its own as members are using the Centre as a place to meet and make new friends.
Food Services	•	Catering services to private groups and community organizations as well as to members.

This Fall the Centre is pleased to offer evening programs four nights a week this year. The Centre will also more clinics and workshops.

Partnerships

Older Adult Centre Sudbury has had the privilege of developing many successful partnerships with organizations. Sharing of resources and services are key to the Centre's development.

City of Greater Sudbury	• Financial support, Information Technology Support, Legal Support, etc.
Sudbury Regional Hospital	• Diabetes and Cardiac Rehabilitation Clinics, Nutrition Classes, Medical Assistance
Sudbury and District Health Unit	• Information Support, Summer Active Project, rentals for workshops
Junior Citizens Centre	• Holiday celebrations, flower garden planting
YMCA Sudbury	• Facility and resource sharing • Maintenance and Cleaning Staff, Security
Sudbury Metro Centre	• Downtown Hoe-Down, Grand Opening, Blueberry Festival, Resource
Industry Canada	• Funding for Community Access Program (CAP) • Seniors Acquiring Information Technology in Sudbury(SAInTS) - computer training • OACS Administers this project
VON Sudbury	• Partners in CAP Grant
Community Helpers - Youth Employment Services	• Provides the man power for set up and take down of events
Sudbury Public Library	• Founder of CAP, currently joint application for 2 Industry Canada Youth Internship for training
HRDC	• GIS and CPP program workshop
Revenue and Customs Canada	• Income tax clinics
Cambrian College	• Gerontology Student placements - students finding work immediately after placement in the City of Greater Sudbury
Laurentian University	• Gerontology Student placement - computer lab tutoring
Myths and Mirrors Youth Community Mural	• Provided the Classroom facilities for planning and home base during project

Other organizations such as the Arthritis Society and the Ontario Pharmacists' Association are providing workshops and services not only to members, but to the community. The list of partners continues to grow.

Rentals and Providing Space for other Organizations

As a source of revenue and out reach into the community, the Centre offers a rental service to many non-profit and community organizations so that they can hold meetings, workshops and celebrations. In some cases a bartering system is in place where groups provide a service to OACS members in return for a reduced rate. The following is only a brief list:

- Sudbury and District Health Unit
- Sudbury Regional Hospital
- India Canada
- Ottawa Valley Club
- Northern Echoes
- Toastmasters
- Prodanse
- Rainbow District School Board
- Sudbury Carving Club
- Sudbury YMCA

The Centre has also hosted meetings, workshops and receptions for various departments of the City of Greater Sudbury.

Community Involvement and Projects

- Downtown Hoe Down, September 2000 and 2001
- International Year of the Volunteer BBQ, Bell Park June 10th 2001
- The Coalition for the Prevention of Injuries in Older Adults - providing administrative support through staff.
- Coordination of the Sudbury Blueberry Festival, 2001

Future Developments 2001-2002

The Centre is currently getting ready for it's second season of programming. The Centre continues to grow in membership, programming and Partnerships in the community. The Board of Directors has developed a strategic plan for the year. The following is an outline of this plan.

The Centre will continue:

- to concentrate on community outreach to develop new partnerships not only with organizations but with other older adult clubs.
- to foster membership involvement and ownership.
- to investigate ways to increase transportation opportunities for older adults.
- as a centre for all persons aged 50 years and better and to develop programming and services based on membership needs and feedback.
- to develop committees that will assist with the development of the Centre.

Respectively submitted by Tina Pilon, Manager, Older Adult Centre Sudbury

Subject

Sudbury Tourism Information Radio (STIR) 102.9 FM

Report Prepared By:

Doug Nadorozny
General Manager
Economic Development and Planning
Services

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Authored By: Ian Wood, Coordinator of Convention and Visitor Services

Recommendation:

FOR INFORMATION

Executive Summary:

CGS Staff are working with representatives of Sudbury Tourism Information Radio to increase the amount of french language content in its programming.

Background:

STIR (Sudbury Tourism Information Radio), is a privately owned and operated radio service that went on the air in April of this year. The service provides basic tourism information and community events within their signal coverage area. The signal is clear within the boundaries of the former City of Sudbury and reaches most of the new CGS, depending on terrain.

In July 2000, Regional Council approved an SRDC Board Resolution, directing - *that*

\$15,000.00 be allocated to fund signage and other promotional material to support the start up of Sudbury Tourism Information Radio (STIR) 102.9FM."

CGS staff have been working with STIR to support this new initiative and signs have been erected at strategic approaches to the city core to alert visitors that this service is now available. CGS has also produced an information card for distribution through information racks, and the "Tourism Information - 102.9 FM" message has been included in regularly produced tourism material. The CGS has completed its obligations to STIR's start up and has no ongoing commitment of resources to STIR, nor any role in the programming of STIR.

At a previous Council Meeting, a question was raised about the city's involvement with this radio station and its lack of french language programming. Staff had discussed this concern with representatives of STIR earlier this summer, and these representatives were contacted again recently.

STIR has already added a brief french language introduction to the CGS to their program rotation, and they have indicated a willingness to add more french language content, especially in areas specifically of interest to Francophones. CGS staff are prepared to work with STIR on this content and a follow up meeting is scheduled for the week of September 10.

Report Date: September 4, 2001

Meeting Date: September 13, 2001

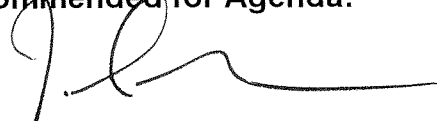

Subject: EARTHCARE SUDBURY Anti-Idling Initiative

Department Review:

D. Bélisle
General Manager of Public Works

Recommended for Agenda:

J.L. (Jim) Rule
Chief Administrative Officer

Report Authored by: J. P. Graham, P. Eng., Plants Engineer

Recommendation:

That Council support both the development of the EARTHCARE SUDBURY Anti-Idling Initiative as funded by Natural Resources Canada and a future Anti-Idling Campaign for Municipal Operations.

Background:

During the past several months, approximately 100 individuals from the 40 partners of EARTHCARE SUDBURY have worked to develop this community's Local Action Plan for Climate Protection. The plan has matured into a document focussed on our long-term sustainability while dealing with our quality of life and economic well-being.

The plan is currently being drafted and expected to be available for comment this fall. An anti-idling campaign is one of the priority initiatives that was identified to deal with issues around transportation. On June 11, we were notified by Mr. Doug McKenzie-Mohr, an expert in environmental behaviour change, that Natural Resources Canada is willing to provide EARTHCARE SUDBURY up to \$150,000 to conduct a community anti-idling campaign. We attach Mr. McKenzie-Mohr's e-mail to this report.

This was very exciting news. Sudbury would be one of two cities in Canada, Mississauga being the other where this project will be undertaken.

The total energy cost across the City of Greater Sudbury is approximately \$335 million dollars annually. Thirty-seven percent (37%) of these energy dollars are spent on the transportation. Benefits of this anti-idling campaign will include the protection of family health, improved air quality, and energy dollar savings.

We have now completed our negotiations with Natural Resources Canada to carry out this anti-idling campaign. They have committed \$155,301 towards this pilot project. The City of Greater Sudbury is to make a contribution of \$17,520. Of the City's portion, \$8,000 will be spent this year and will be funded from the EARTHCARE SUDBURY promotion budget contained within the 2001 Current Budget. The remaining \$9,520 will be budgeted for in 2002.

This initiative will be centred in the area of the community known as the former City of Sudbury. The program will focus on forty-nine (49) schools in that area. We will also make personal contact with the general public at grocery stores, shopping centres, etc., encouraging them to change their idling practices.

Natural Resources Canada's support for the project includes funding to hire an environmental co-ordinator to manage this project for a six month period. In order to extend that position for a period up to one year, we are preparing to make application to Human Resources Development Canada under their Youth Internship Program for support for an additional six months. We have been advised that they are receptive to this proposal. Our commitment for the additional six months of support is \$4,400 and would be a 2002 expenditure.

Phase 2 would involve the future extension of this initiative across the remainder of the City of Greater Sudbury.

The fuel costs for the municipal fleet is in the several millions of dollars. We propose to mount an anti-idling campaign within our own municipal operations with a goal of reducing our operating costs as well as contributing to the community's goal of improved air quality.

We also intend to start discussion with other fleet managers in the community to encourage anti-idling practices in their fleets.

Council support of this important initiative is critical to show leadership in the community.

To: Barb McDougall-Murdoch <barb.mcdougall@region.sudbury.on.ca>, Paul Graham <paul.graham@region.sudbury.on.ca>
Date: 6/11/01 10:18AM
Subject: Anti-Idling Initiative

Paul and Barb:

I have some wonderful news to share with you. I've just received confirmation from Cathryn Ray at NRCan that she is willing to provide EARTHCARE SUDBURY with up to \$150,000 to conduct a community-wide anti-idling initiative. This initiative would target residential idling and could include such projects as idle-free schools throughout Sudbury as well as the general curtailment of residential idling in the community. The project is meant to test the tools that Dave and I developed last year in Toronto, but on a community-wide basis (you might remember that our Toronto pilot cut idling by 32% and the duration of idling 72%). NRCan, with Dave's assistance, has developed a web site that provides information on how to use these tools for municipalities and organizations across the country.

Granted that you would like to pursue this (I expect that I will have to twist your arms hard in order for you to agree), the first step is develop a prospectus and budget for the project. I have already developed a draft prospectus that sets out several possible anti-idling initiatives. EARTHCARE SUDBURY's role would be to decide what anti-idling initiatives it wished to introduce and implement them, while mine would be to provide guidance to the project and evaluate its success.

This opportunity is fortuitous as the working group had identified an anti-idling initiative as a "best-bet". Anyway, this is great news that will provide an infusion of cash to implement what could be the first broadscale EARTHCARE SUDBURY behaviour change initiative. I anticipate that this initiative will touch almost every household in Sudbury. Can we set up a cc to discuss this in the near future?

Best, Doug
