

## **HOW KIDS CAN HELP FROM A-Z**

- A-** Always take pride in your community, at your school or at home.
- B-** Bring a 'litterless' lunch to school.
- C-** Car litter bags are a great way to dispose of litter until you get home.
- D-** Dispose of garbage properly, use garbage containers with secure lids and do not overfill your containers.
- E-** Encourage others to reduce, reuse, and recycle.
- F-** Flatten your cardboard before placing it in the blue box.
- G-** Give used clothing items to charities, church rummage sales, etc.
- H-** Help save paper, use both sides.
- I-** Insist on buying products with less packaging.
- J-** Join groups who participate in programs such as Adopt-A-Road.
- K-** Keep your garbage in the garage/shed with a secure lid so animals cannot get into it.
- L-** Look for the plastic recycling symbols #1, #2, #4, #5, and #6 when you buy products.
- M-** Make fun crafts with used items.
- N-** Never litter. Always put garbage in a litter container or bring it home with you.
- O-** Ordinary people like you can make a difference.
- P-** Place garbage containers and blue boxes at the curb by 7:00 a.m. on collection day.
- Q-** Quit buying products that have a lot of packaging.
- R-** Reduce the amount of garbage you generate.
- S-** Save torn tea towels, towels, clothing that cannot be reused, etc. for cleaning rags.
- T-** Together we can make the City of Greater Sudbury green and clean.
- U-** Unified efforts contribute to a cleaner environment.
- V-** Vacant land deserves the same respect as public land use property.
- W-** Wild flowers grow abundantly in a clean environment.
- X-** Xerox copies produce waste. Make one copy and circulate.
- Y-** Yard sales are a fun way to make money and at the same time get rid of unwanted items.
- Z-** Zero tolerance for littering the environment.
