**A registered owner of a property to which residential curbside waste collection services are provided by the City may purchase an approved waste storage container and receive collection services from the container provided that:**

1. The container is placed on the resident's own property no further than six feet from the edge of the road.
2. The resident's/property owner's address is clearly marked on the container.
3. The container is kept clean and in a sanitary condition.
4. The container is in good state of repair (this also means well painted).
5. The area around the container is kept clean and in a sanitary condition.
6. The container is completely accessible to the collection crews (i.e. not locked; not buried in snow or ice etc.).
7. The container is never placed in a location to impede road maintenance work.
8. The waste stored in the container must be placed in approved waste containers.

Please provide the City with a two week notice that you will be making use of a waste storage container to store your residential waste. We will then add your address to our collection list.

For further information, please call City Services at 3-1-1 or visit our website at [www.greatersudbury.ca/wastemanagement](http://www.greatersudbury.ca/wastemanagement).
