

APPLICATION FOR WASTE REDUCTION CHAMPIONS

This application is for Greater Sudbury retailers that want to be featured as Waste Reduction Champions. Excessive packaging continues to make an alarming impact on our landfills. Unnecessary packaging waste is an increasing issue that will continue to get worse unless we collectively take action. Local retailers are encouraged to become Waste Reduction Champions by offering products with less packaging and/or by allowing consumers to leave excessive packaging with the retailer. Allow at least 2 weeks for your application to be processed.

Please note this application must be renewed annually on the approval anniversary date for continued involvement. Participation in the program will end once you do not renew your application or if the terms and conditions are not followed.
