

Dear Business Owner

Re: Biz Box Recycling Program

The 'Biz Box' Recycling Program is available to small businesses for an annual service fee of \$93 (adjusted yearly according to a cost index). The program provides small businesses with weekly curbside recycling collection similar to the residential blue box collection program. **The business must be located on a residential recycling collection route.**

The program is limited to three (3) yellow boxes for \$21.15 or one (1) big yellow with a lid for \$30.50. The collector no longer has to sort the recyclables in the recycling truck. This means all recyclables can be mixed in the yellow container.

- i) If you're interested in the program, please complete the attached "Biz Box" application form and fax it to 705-671-1148 or e-mail it to wastemanagement@greatersudbury.ca.
- ii) The form will be reviewed to determine if the business is located on a residential collection route.
 - a) If approved, the business owner will be notified and must sign the terms of service which must be submitted along with the non-refundable annual fee and payment for the container(s). Upon receiving the payment, the City will provide the business owner the container(s) at the Environmental Services Division office located at 1805 Frobisher Street in Sudbury.
 - b) If not approved, the business owner will be notified and encouraged to contact private recycling companies (listed in the Yellow Pages under Recycling) or to deliver source-separated recyclables (without garbage) at no charge to the Recycling Centre, to the recycling depots located within each landfill and waste diversion site or to the Walden small vehicle transfer site.

Please contact the Environmental Services Division at 705-674-4455, extension 4406 for further details.

Thank you for your interest in recycling,
