

Non-Residential Waste Collection Yellow Box Recycling Program

Application Form

The Yellow Box Recycling Program is available to non-residential units (hair salon, church, small store, etc.) for an annual service fee of \$102 (adjusted yearly according to a cost index). The program provides non-residential units with weekly curbside recycling collection similar to the residential blue box collection program.

The establishment must be located on a residential recycling collection route.

The program is limited to three (3) yellow boxes for \$21.15 or one (1) big yellow with a lid for \$30.50.

The collector no longer has to sort the recyclables in the recycling truck. This means all recyclables can be mixed in the yellow container.

- i) If you are interested in the program, please complete the attached Yellow Box Recycling Program application form.
- ii) The form will be reviewed to determine if the establishment is located on a residential collection route.
 - a) If approved, the applicant will be notified and must sign the terms of service which **must be submitted along with the non-refundable annual fee and payment for the container(s)**. Upon receiving the payment, the City will provide the applicant the container(s) at the Environmental Services Division office located at 1805 Frobisher Street in Sudbury.
 - b) If not approved, the applicant will be notified and encouraged to contact private recycling companies or to deliver source-separated recyclables (without garbage) at no charge to the Recycling Centre, the waste diversion site within each landfill or to the Walden small vehicle transfer site.

Please contact the Environmental Services Division at 705-674-4455, extension 4406 for further details.
