

Solid Waste Advisory Panel MINUTES – 2nd Meeting 2017

and continue to participate in consultative sessions. Stewardship Ontario will be holding a session in Sudbury in November and staff will be attending.

3. **Waste Diversion Equipment Tender:**

Staff reviewed the details of the upcoming tender. The tender is expected to be posted soon and should close before year end. Once finalized, staff will bring a report back with options for blue box lids.

4. **Implementation Plan – Update on Possible New Programs:**

Members supported the recommendation to delay the Textiles Program until further details are available under the Waste Free Ontario Act and when adequate funding is available.

The Panel supported the development of a new program for the collection of household batteries. Staff will seek approval from the Operations Committee.

5. **Orders to Clean – Amendments to the Waste Management By-law:**

The Panel supported the recommendation to remove the minimum 24 hour notice on Orders to Clean. This will be suitable for situations that are considered hazardous, dangerous or for repeat offenders. Staff will seek approval from the Operations Committee.

6. **Litter Prevention (near landfill sites):**

Staff reviewed the current program and the suggested options. A discussion on a possible blitz was discussed with the MTO, GSPS and By-law for residents to secure their loads. In the end, the Panel agreed to maintain the current program with the addition of a flyer.

Litter abatement maps near landfill sites would be sent under separate email to Panel members.

7. **2015, 2016 and 2017 Statistics:**

The Panel reviewed the infographic statistics and noted a few corrections and asked for minor changes. The Panel preferred this presentation style, noting it was easier to read and understand. Updated sheets are attached.

8. **Other Business:**

The Panel was interested in receiving information on upcoming conferences. The Director indicated that information on conferences open to the Public would be sent to the Panel (Please note that the session being held in November by Stewardship Ontario is not open to the public).

The Panel requested an update on the renewal process for the medical circumstances program as it relates to individuals with long term medical issues. Staff indicated that the review had yet to be completed, but a report would be provided at the next meeting, along with a possible walk up program.

The Vice-Chair indicated that he had been in contact with people with disabilities and several agencies who had noted issues with the current program. The Director indicated that the matter would be reviewed and a report would be available for the next meeting.

The Vice-Chair indicated he would forward his correspondence email and him and the Chair would like to be included in any of our correspondence to these agencies.

9. **Next Meeting:**

Two meetings to be held in 2018 – June and December (with the new Panel if available). The Terms of Reference indicates the term for the Panel will coincide with the term of Council to November 30, 2018.

Adjournment: The meeting was adjourned at 12:15 p.m.
