

August 21, 2026

To: All Pioneer Manor residents, families, substitute decision-makers and staff.

Redevelopment and Move Update

Our redevelopment project is nearing completion, and we are pleased to share that the Ministry of Long-Term Care will be on site from **Tuesday, August 25 to Friday, August 28, 2026**, to complete the in-person inspection of the new building. Four Ministry inspectors will be on site throughout the four-day inspection process.

This is an important final step toward receiving approval to move into the new building. Following the inspection, we are hopeful that we will receive confirmation of our move-in date. As soon as we receive further information from the Ministry, we will share it with residents and families.

As part of fire code requirements, each resident room is equipped with an individual fire notification device. The device includes a strobe light and audible notification and cannot be silenced within the resident room. We wanted to make residents and families aware of this change in advance of the move. Meanwhile, work on the grounds and new parking lot continue to progress well.

Move Day Schedules

We have a carefully planned move schedule that remains flexible to meet the needs of residents and individual home areas. All residents will be moved over a five-day period. While we do not yet have the specific move dates, we are hopeful that these will be confirmed following the Ministry inspection process.

The redevelopment daily itinerary is attached and outlines the planned sequence for each home area's move. Again, we will share the confirmed move dates as soon as they are available.

Redevelopment Menu

The Redevelopment Menu applies only to residents on their scheduled moving day. It will consist of a continental breakfast and a selection of cold lunch items, such as sandwiches and salads. The redevelopment menu has been developed for:

- Home areas that residents are moving from for breakfast service.
- New home areas that residents are moving into for lunch service.

For supper, all residents in all home areas will receive the regularly scheduled items from the spring/summer menu. Example - Moving day

- York: redevelopment menu for breakfast and lunch; spring/summer menu for supper.
- V5: redevelopment menu for lunch; spring/summer menu for supper.

If you have any questions regarding the redevelopment menu, please contact Jennifer Santerre-Smith, Manager of Food and Nutrition Services, at extension 3224.

Family Participation on Move Day

Families and substitute decision-makers are invited to participate in their loved ones' move. To ensure a safe and supportive environment, we kindly request that only one support person per resident attend.

To assist with planning, we ask that you complete the **one-to-one support person request form** and submit it. Forms may be emailed to pmcommunications@greatersudbury.ca or delivered to the reception desk.

Orientation sessions for volunteers and one-to-one support people who will be assisting with the resident move will begin during the first week of September. These sessions will provide an orientation to the new building and resident home areas, including the location of key areas and information to help support residents during the move.

Darlene Gibbons, our Coordinator of Volunteer and Support Services, will be reaching out directly to volunteers and registered support people to coordinate these orientation sessions.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor. As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nicole Leclair'.
