Ministry Inspection Update and Next Steps

We are pleased to share that the Ministry of Long-Term Care completed its on-site inspection of our new building last week, and overall, the inspection went very well.

Any items identified as requiring attention during the inspection have been addressed. We are now awaiting the Ministry's formal approval to move in, which we anticipate receiving within approximately 10 days.

This is the final step in the process. We know everyone is eager to hear more about our move-in date, and we will continue to keep residents and families updated as soon as we receive further information.

Thank you for your continued patience and support.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor. As always, please do not hesitate to contact us, should you have any questions.

Sincerely,
