To: All Pioneer Manor residents, families, substitute decision-makers and staff

### LifeLabs – New Resident Identification Process

To further improve accuracy and safety in our lab services, we are implementing a new identification process for residents. Before scheduled lab visits, residents will receive temporary paper identification bracelets. These bracelets will help lab staff correctly identify individuals, ensuring tests and procedures are accurately assigned. The bracelet will be applied on the night shift and removed in the morning, once the lab work is completed. This additional measure reinforces our commitment to high-quality, safe care for all residents.

### Father's Day

On Sunday, June 15, we will celebrate Father's Day. Virtual cards and video messages are welcome and can be sent to [pmcommunications@greatersudbury.ca](mailto:pmcommunications@greatersudbury.ca). Written messages will be printed and delivered to your loved one, and video messages will be shown via iPads. The deadline for submissions is June 11, at 12 p.m. to ensure your family member receives the message before Father's Day. Please share this information with other members of your family. We would like to wish all fathers and father figures, a happy Father's Day.

### Summer/Fall 2025 Menu Feedback

We're excited to introduce our Summer/Fall menu on May 26. Your feedback is invaluable in helping us improve and continue delivering great dining experiences. We encourage family members and residents to share their thoughts by filling out the Resident Dining Card.

### Gardeners

If you're a gardener interested in assisting with the gardening program in the Winter Park community garden – we invite you to share your expertise and guidance. Please email [pmcommunications@greatersudbury.ca](mailto:pmcommunications@greatersudbury.ca) or call 705-566-4282, extension 3280 for additional information.
