Redevelopment Update

Our redevelopment project remains on schedule and continues to move forward. Beginning in September, the contractor will begin curb work and final asphalt work on the ring road.

During this time, there may be some temporary impacts to parking and driving in the area. We will make every effort to communicate details of this work in a timely manner so residents, families and staff can plan accordingly.

We appreciate your patience as these important improvements are completed, and we encourage everyone to allow a little extra time when arriving at or leaving the Home. Thank you for your continued understanding and support as we work to enhance our Home for residents, families and staff.

Manager of Resident Care

We are pleased to announce that Sara Sandblom has accepted the role of Acting Manager of Resident Care until a new Director is appointed. With her experience, compassion and dedication, Sara is well-positioned to lead and make a meaningful impact in the Resident Care section. Please join us in congratulating Sara on this exciting step in her career!

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair
