Transition to interRAI LTCF

We are sharing an important update on a new initiative being implemented across all long-term care homes in Ontario by the Ministry of Long-Term Care. Beginning October 1, 2025, Pioneer Manor will transition to the new Resident Assessment Instrument known as the interRAI Long-Term Care Facilities (LTCF) assessment. This comprehensive standardized assessment and care planning system is designed to better evaluate the needs, strengths and preferences of your loved one, ensuring their care plan is truly individualized.

What does this mean for you?

The new interRAI LTCF promotes meaningful family involvement in care planning. Over the coming months, our staff will be collecting information and may contact you for additional details such as:

- *Intake and initial history* (i.e., level of control your loved one had over decision to move into long-term care)
- *Psychosocial well-being* (i.e., family or close friends report feeling overwhelmed by loved one's illness)
- *Prevention measures* (i.e., dates of most recent colonoscopy, dental or vision exam, mammogram, etc.)

We are excited about the positive impact this change will bring and are committed to making the transition smooth and transparent. If you have any questions, please do not hesitate to contact Jodi Speck, RAI Coordinator, at extension 3285 or Olivia Brady, Acting RAI Coordinator, at extension 3212.

Classic Car Show

On Saturday, August 30, 2025, the Sudbury Classic Cruisers Car Club Inc. will bring a classic car show to Pioneer Manor. Residents, families and visitors are invited to stop by and share in the excitement. The McRae parking lot (to the left of the main entrance) will be blocked off to provide space for the cars to be displayed and viewed. The show will run from 1 to 3:30 p.m.

Please Note: in the event of rain, the show will be cancelled.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair
