To: All Pioneer Manor residents, families, substitute decision-makers and staff

Project SEARCH

September 3 marked the second year that Pioneer Manor collaborates with The Ontario March of Dimes and the Rainbow District School Board to offer a unique school-to-work training program geared to support students with intellectual and developmental disabilities. Interns will be immersed in a variety of sections within Pioneer Manor to obtain 700 hours of hands-on work experience. Each intern will work alongside March of Dimes skills trainers as well as an instructor from Rainbow District School Board and mentor staff from Pioneer Manor. This year, Pioneer Manor is happy to welcome eight interns who are eager to learn transferable marketable job skills. Project Search will be hosting a signing ceremony on Wednesday, October 1, 2025, at 2:30 p.m. in Winter Park.

Tree Removal Notice

The trees in front of our building have been affected by a worm infestation, which could lead to deterioration of the surrounding landscape. After careful assessment, removal has been scheduled for some time next week to prevent further damage. As part of our commitment to a green and welcoming environment, new trees will be planted in their place. Thank you for your understanding and support.

Scent-free Environment

Many of our residents, families, visitors and staff are sensitive to scents. Wearing scented products like perfume, cologne, soaps and lotions can trigger allergic reactions, including respiratory distress and headaches. Please be mindful of this when visiting the Home. We appreciate your understanding and cooperation in helping us maintain a scent-free environment for everyone.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair
