CORRECTION - Food Subcommittee

Medication Safety Reminder

To keep residents safe, nurses must stay focused during medication passes. Even small interruptions can cause errors. Every medication cart includes a communication book where non-urgent questions or concerns can be noted. Nurses will review these once the medication pass is complete. Thank you for helping us keep safety our top priority.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Nicole Leclair'.
