### Remembrance Day Service

On Thursday, November 6, 2025, at 10:30 a.m. we invite you to join your loved one for a Remembrance Day service in the Winter Park. Legion members from Branch 76, Royal Canadian Legion will be leading a service as we honour and remember the courage, sacrifice and service of veterans and those who have served our country. We will also be acknowledging the veterans currently residing at Pioneer Manor. There is a display honouring our Pioneer Manor Veterans currently in the Winter Park. Take a few minutes to read their stories, honour their legacy and remember their sacrifices for our freedoms.

### Winter/Spring Menu

Our Food Services department is pleased to announce that the winter/spring menu begins Monday, November 3, 2025. The menu has been reviewed and approved by the Resident Food Committee and will be reviewed and approved at Resident Council on December 5, 2025. Food Committee meets monthly (usually the first two Thursdays of the month). We encourage residents to join us as we discuss special meals as well as the current menu. The Nutrition and Food Services department continues to improve the overall nutrient profile and quality of foods, while meeting best practice standards required for all textures and/or individual therapeutic requirements. This new menu continues to offer a variety of cultural foods, including pork stir fry with Shanghai noodles, pork souvlaki, Greek macaroni salad and residents' favourite Sudbury porketta.

Dining cards are available in all serveries, and we encourage families and residents to provide feedback related to the menu and food. You can fill in the card and place it in the comment box in Winter Park. The goal is to support a pleasurable dining experience while providing quality, satisfying and nutritious meals. Temporary menu changes may be required to reflect supply and demand issues or to meet operational requirements. A copy of the menu is available upon request.

### Food Services Subcommittee

The next Food Services subcommittee meeting will take place on Tuesday, December 9, 2025, at 11 a.m. in the 2<sup>nd</sup> floor leisure room. We encourage families, residents and staff to attend as it is an opportunity to share feedback and ideas to promote quality and pleasurable meal service. It is our goal to meet your loved one's nutrition needs while providing a relaxing and pleasurable dining service. Hope to see you there.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair  
Director, Long-Term Care Services
