Upcoming Advance Care Planning Workshop – November 25

We would like to invite residents and their families to an advance care planning workshop taking place on Monday, November 25, at the Steelworkers Hall. This workshop offers participants an opportunity to complete their own advance care plan in a supportive group setting. We encourage residents to attend with a loved one, as these conversations are most meaningful when shared with those closest to you.

Following the session, participants will have the option to contribute to important research aimed at exploring the effectiveness of group-based advance care planning. The goal is to demonstrate that these essential conversations can happen more comfortably and effectively in a group environment, especially given the limited time available during typical medical appointments. If you are interested in attending, please sign up in advance. See attached poster.

Christmas Lunch Tickets

The Home is offering families the opportunity to purchase tickets and share a Christmas lunch with their loved one on Christmas Day. Tickets are \$20/person and are available at the main reception desk between 9 a.m. and 4 p.m. Monday through Friday, from November 24 to December 5. A limited number of tickets, on a first come, first served basis are available ONLY for the lunch time meal. To ensure everyone has an opportunity, a maximum of six tickets are available for purchase per resident. Information on pick-up times and location will be provided in a December information letter. Should you have any questions or concerns, please contact pmcommunications@greatersudbury.ca or call extension 3297.

Christmas Craft Market

Resident Council is kicking off the holiday season by hosting a Christmas craft market on Wednesday, December 3, 2025, 10 a.m. to 4 p.m. in the Winter Park. A variety of local crafters, artisans and treat makers will be sharing their holiday spirit and helping you find the perfect gift for that special someone on your list. Join us for a magical day of holiday cheer.

Bistro Water Cooler Update

We are pleased to inform you that the water cooler in the Bistro is now fully operational. Staff are welcome to refill their water bottles as needed. Thank you for your patience while we resolved the issue.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair
