Project Amplifi

Beginning December 3, 2025, Pioneer Manor will be introducing a new enhancement to our electronic medical record system. Project Amplifi will strengthen the connection between Pioneer Manor and our local hospitals, ensuring important resident information can be shared more quickly and accurately when needed. This is the same information that has always been shared during hospital transfers, previously only through paper documents. Project Amplifi simply allows this exchange to occur electronically and more efficiently. Project Amplifi will enhance resident safety, support smoother care transitions and improve staff workflows, allowing our team to focus more of their time on providing direct, high-quality care.

REVISED - Clothing Items

We encourage families who are planning on giving their loved one clothing items for Christmas to have the items labelled prior to wrapping. Christmas labelling request forms are available at the front desk. Please complete this form, put it inside a clear plastic bag with the clothing and drop off at the regular labelling station in the Winter Park no later than **December 17**. Labelled items will be returned to the front reception desk for pick up. Please ensure any clothing labelled through this service is picked up before December 22. For questions, contact housekeeping.admin@greatersudbury.ca.

Sincerely,

Nicole Leclair
