Christmas Meal for Residents and Families

We are pleased to share details of our Christmas meal. We look forward to celebrating this special season with residents and their loved ones and creating a warm, joyful dining experience.

The Christmas meal service is for individuals (residents and family members) who have purchased tickets. The traditional turkey dinner with all the trimmings, along with dessert and a bottled water, will be provided between noon and 1 p.m. on Christmas day, in the Bistro (present ticket at pick up).

This Christmas meal service will also be provided on a tray – to be picked up promptly at 12 p.m. or at the end of dining room service. After picking up resident meals, families/residents can proceed to their pre-booked room or enjoy the meal together in the Winter Park.

Members of our Food and Nutrition services team will be available throughout the meal to assist as needed. We are honoured to share in these cherished moments and thank you for your cooperation as we work together to make this Christmas celebration memorable and enjoyable for everyone. If you have any questions, please contact the front desk at extension 3297. Warmest wishes for a joyful holiday season.
