Invitation to Join Pioneer Manor’s Family Council

The purpose of the Family Council is to ensure quality of care for residents and give families and other caregivers a voice in the decisions that affect them. Members meet monthly to share experiences, educate themselves on the Long-Term Care environment and act on any concerns. If you have been thinking about getting involved, here are some good reasons to join:

- Keeps you informed of what is going on at the Home.
- Gives you input into decisions and changes in the Home that may affect your loved one.
- Enables you to identify residents’ needs that can be met through organized effort.
- Gives you an opportunity to voice concerns and become a more informed and effective advocate.
- Provides an opportunity to connect with other families while offering mutual support and understanding through shared experiences.
- Provides education through guest speakers and the opportunity to learn more about the Long-Term Care environment.
- Gives you opportunities to use your skills, interests and talents to benefit residents.

Family Council meets on the second Tuesday of each month at 2 p.m., from September to June. Family Council members are asked to attend regularly, with no more than five absences per year. No prior experience is required, just an interest in supporting residents in a respectful and constructive way. If you are interested in learning more, please reach out to Family Council Chair, Dianna Foster at 705-671-7157, email dianna_foster@sympatico.ca, or visit the Family Council meet and greet in the front lobby on January 17, 2026.
