### Winter Safety and Parking

Please take extra care when travelling to and from your vehicles. When entering the Home, kindly wipe your footwear on the mats provided and remove any snow from walkers or wheelchairs. A boot cleaner is available inside the front entrance to help reduce the amount of snow and sand brought indoors.

Snow can make lines difficult to see, but please make every effort to park within the intended parking area and avoid parking over curbs or sidewalks. This helps ensure snow removal equipment can operate effectively and keeps pathways clear for residents who rely on mobility devices. Thank you for helping us maintain a safe and accessible environment for all.

### Outbreak Status

Public Health Sudbury & Districts declared the respiratory outbreak in the Tulip home area over on January 17, 2026. The influenza A outbreak was declared over in the Trillium home area on January 18, 2026. Visitors who visit the remaining affected home area are reminded to wear the required personal protective equipment identified outside your loved one's room.
