Digital Menu Transition Update

The three-week winter/spring menu is available on the City of Greater Sudbury's website: www.greatersudbury.ca/menu. Several areas of our home are currently transitioning to new digital menus – they will be displayed on TV screens throughout the home. A trial launch in the Pine and Poplar home areas is planned before the end of March. The tentative timeline for full implementation is end of April. If you have questions about the menu, please speak with your nutritional aide at the servery.

For any other questions, please contact the Manager of Food and Nutrition Services, Jennifer Santerre-Smith at extension 3224. Thank you for your patience and cooperation during this change.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,
