Visitors and Resident Safety

Each resident has an individualized care plan that outlines the specific level of assistance they require for activities such as transfers, eating, and personal care. If a resident approaches you for assistance, please notify a member of the nursing team so the resident can be supported safely and according to their care plan. We appreciate everyone's collaboration in helping us ensure residents receive the appropriate care and support.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor.
