Parking Reminder - Keeping Sidewalks Clear and Accessible

As a reminder, all vehicles must be parked in a manner that keeps sidewalks fully clear and accessible for residents. Some larger vehicles, particularly trucks with hitches, can unintentionally extend over the walkway when backed in too far, making it difficult for residents and visitors to pass safely. We ask that everyone ensure their vehicles are positioned responsibly so that walkways remain unobstructed and safe for everyone.

Safety Notice - Be Cautious Around the Ring Road Construction Zone

Construction behind the ring road is advancing well with parking and landscaping work now underway. This phase has brought a temporary increase in heavy truck traffic. We encourage all residents, families and visitors to remain aware of their surroundings and exercise caution when near this part of the property throughout the next month.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor.

As always, please do not hesitate to contact us, should you have any questions.

Sincerely,
