Heat-Related Illness Prevention

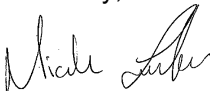

Please be mindful if/when a resident asks you to bring them outside. The warm weather is nice to enjoy, however, some of our residents are unable to bring themselves back into the Home. If staff are not aware they were brought outside, this puts the residents at risk. These residents may become too hot or require a drink and have no way of communicating this. We appreciate your assistance in keeping everyone safe from heat-related illnesses.

Smoking Restrictions Near Entrances

A reminder to refrain from smoking within 30 feet of any entrances to the building, as it is strictly prohibited by law. Also, to keep our grounds litter-free, please use the ashtrays provided when discarding cigarettes..

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor. As always, please do not hesitate to contact us, should you have any questions.

Sincerely,
