Lodge 2	October 9, 2026		Respiratory

Resident Telephone Service Update

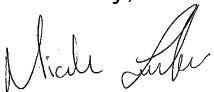

Some residents are still experiencing issues with their telephone service. We are actively working with Bell to ensure that all resident telephone lines are installed and functioning as quickly as possible. We understand the importance of staying connected with family and friends and appreciate your patience and understanding as we work to resolve these remaining issues. If you need to contact your loved one, please call the nursing desk in their respective home area, and staff will be happy to assist you. We will continue to provide updates as information becomes available.

Annual Influenza Vaccination (Residents)

The annual influenza vaccine will be administered on October 20, 2026, to all residents who have documented consent for administration. Following this date, vaccination clinics will be offered to all staff, family members and visitors. Further details regarding scheduled clinic dates will be communicated shortly. For questions, contact Manon Larocque at 705-566-4282, extension 1360.

We remain committed to keeping residents and families informed. Regular updates are also available at www.greatersudbury.ca/pioneermanor. As always, please do not hesitate to contact us, should you have any questions.

Sincerely,

Nicole Leclair
