Renew Your Canadian Dental Care Plan (CDCP) Coverage by June 30, 2025

The Canadian Dental Care Plan (CDCP) is a federal program that helps cover dental care costs for eligible Canadians who don't have private dental insurance. It aims to make dental services more accessible and affordable for families across the country.

To continue receiving coverage, families must renew their CDCP application each year. This year's renewal deadline is June 30, 2025. To renew, you will need your 2024 Notice of Assessment information to apply online at canada.ca/dental-care-plan/renew.
