ENG21-52 Culvert Replacement Huron Street Culvert

The City of Greater Sudbury will be completing road improvements on **Huron Street**, 50 m West of Nobel Street.

Construction Details:

- Remove north section of existing Huron Street Culvert, approximately 46m long.
- Construct a new replacement open footing box culvert at same location
- Minor road works including frost treatment and paving

Expected Start Date: Summer 2021

Expected End Date: Fall 2021

Timeline is subject to change

On March 24, 2020, the Province of Ontario classified the construction industry as essential. Work on the approved 2021 capital budget is ongoing and the City is committed to the planned infrastructure improvements.

Under normal circumstances, the City would hold public information sessions to explain these projects and their impact on communities. Instead, we are publishing information online and asking residents to review these documents from their homes.

Residents can visit our website to obtain information and review the construction plans.
