	<p>Before Construction Begins:</p> <p>The City is not responsible for damage to any privately-owned items on the municipal right-of-way</p>
	<p>Traffic:</p> <p>Plans are in place to manage traffic in the area to ensure the safety of workers and residents. You may experience some delays and increased traffic on nearby main and side streets.</p> <p>At times, Kelly Lake Road will be reduced to one lane of traffic to accommodate construction. The road will remain open to local traffic and emergency vehicles at all times.</p>
	<p>Driveway Access:</p> <p>If temporary driveway closures are required, the Contractor will provide notice to the affected properties and make arrangements for alternative access and parking when necessary. Entrances to businesses and public institutions shall remain accessible at all times.</p>
	<p>Road and Sidewalk Access:</p> <p>Safe access for pedestrians will be maintained. Parents are reminded to teach children about road safety in active construction zone areas. Residents who have accessibility needs, such as wheelchair access, are asked to contact the Field Inspector or Project Manager listed on this notice.</p>
	<p>Inspections:</p> <p>MCA Contracting Ltd. will complete a review of structure and building conditions prior to the beginning of construction. These inspections will only be performed with permission from the property owner.</p>
	<p>Emergency Services and Public Transit:</p> <p>Access for police, fire and paramedic services vehicles will be maintained at all times. Public transit detours may occur during construction. Please call GOVA at 705-675-3333 or visit www.greatersudbury.ca/gova/ for information. Should the work affect the school bus route, the Sudbury Student Services Consortium will inform you of any changes to the scheduled route.</p>
	<p>Garbage Collection:</p> <p>Garbage, recycling, and leaf and yard trimmings pickup will not be affected by construction. Please place your waste at the front of your property before 7 a.m. on your regular collection day. If waste collection vehicles are unable to access properties in the construction area, the contractor will transport the waste outside of the zone for pickup. Your garbage, recycling and organics containers will be returned to your property later in the day. Please ensure your containers are labeled with your address so that they can be returned to you.</p>
