Before Construction Begins:

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Once a Contractor has been selected, affected property owners will receive a construction notice with more information about the work.
- **The City is not responsible for damage to any privately-owned items on the municipal right-of-way.** Property owners should remove items located within the municipal right-of-way, such as landscaping, fencing, sprinkler systems and decorative objects.
- Please contact the Project Manager or the Project Designer below for more information on affected properties.
