Construction Update

Watermain & Sewer Replacement, Agnes and Percy Streets, Sudbury

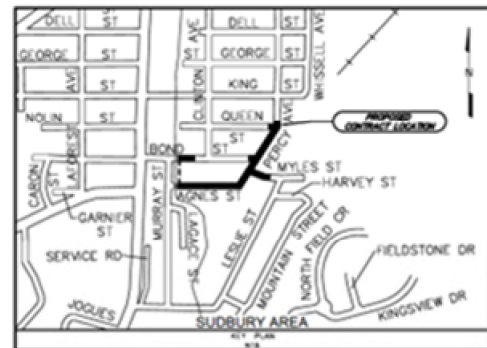

The City of Greater Sudbury will be deferring the proposed construction of Agnes and Percy Streets to the Spring of 2024. The City of Greater Sudbury intends on tendering and awarding the contract to a successful Contractor in the Fall of 2023. The scope of road, curb and sidewalk work to be tendered will match existing conditions.

Please note, the City of Greater Sudbury will be completing pre-engineering and investigative work in advance of tendering. Soils testing and/or rock probes will occur on Agnes, Percy and Bond Streets in the Fall of 2023. Test Digs will occur in the Spring of 2024.

Construction Details:

Agnes and Percy Streets (2024)

- Watermain and Sanitary Sewer Replacement
- Storm Sewer Improvements
- Road Reconstruction
- Active Transportation Improvements (pedestrian connection from Agnes to Myles Streets)
- New Watermain Installation
- Pavement Rehabilitation
