Pre-Engineering Work

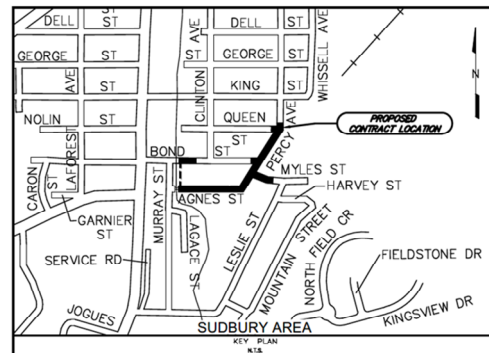

Agnes Street, from the Cul-de-sac to Bond Street and Percy Avenue, from Bond Street to Queen Street, Sudbury

The City of Greater Sudbury will be completing investigation work in advance of the proposed road and water/wastewater improvements on Agnes Street, from the Cul-de-sac to Bond Street and Percy Avenue, from Bond Street to Queen Street in Sudbury.

This project is part of the Council-approved Capital Project for Agnes Street and Percy Avenue – Watermain Replacement and Asphalt Rehabilitation.

Investigation Details:

- Marking the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Test holes to determine the location of underground utilities.

As detailed design progresses, affected property owners will receive a notice with more information about the work.
