

# Pre-Construction Notice

June 2, 2023

## Pre-Engineering Work Elderwood Drive, Sudbury

The City of Greater Sudbury will be completing investigation work in advance of proposed road and water/wastewater improvements on Elderwood Drive, between Camelot and Greenbriar Drives, in Sudbury.

This project is part of the Council-approved Capital Project for Road, Water & Wastewater Improvements as identified by the Roads asset management program and by Water wastewater priorities.

### Investigation Details:

- Marking the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Soils investigation will be completed to determine sub-soil surface conditions.

As detailed design progresses, affected property owners will receive a notice with more information about the work.

### Questions about upcoming investigation work can be directed to:
