## Road Closure

### Larch Street Reconstruction

### Intersection at Larch/Durham Streets, Sudbury

The City of Greater Sudbury will be continuing road and water/wastewater improvements on Larch Street, between Elgin and Durham Streets, in Sudbury.

Construction by the City's Contractor, Teranorth Construction & Engineering Ltd., has been ongoing since May 2023 and is expected to be completed October 2023.

The proposed work will **close the intersection at Larch and Durham streets from August 21, 2023 until September 1, 2023**. Detours will be in place for vehicular and pedestrian traffic. If you have any concerns as it pertains to access to your property and/or deliveries, please contact the Project Manager and Field Inspector listed below.

Work will typically take place during daylight hours Monday to Friday. Weekend or night work may be required.

#### Construction Details:

- Water and Sanitary Main Replacement
- Storm Sewer Improvements

During construction, there may be dust and noise in the area. The City makes every effort to reduce the impact to nearby residents and business owners. Thank you for your patience as we work to improve the roads and infrastructure in your neighbourhood. The City of Greater Sudbury and its contractors are committed to public safety and will monitor the ongoing progress of construction.
