Update

Sparks Street, Sudbury Watermain Replacement and Pavement Rehabilitation

Dear Resident and/or Business,

The planned Sparks Street watermain replacement and pavement rehabilitation (ENG22-23) work has been deferred to the 2023 construction season.

City staff will be reviewing the roadway design to ensure it aligns with the City of Greater Sudbury's "Complete Streets" guidelines and will determine if additional improvements to current active transportation infrastructure can be included.

For further information regarding Complete Streets guidelines, visit greatersudbury.ca/completestreets.

For further information on the project, please contact the undersigned.

Regards,

A handwritten signature in black ink that reads "A. Peltomaki".
