Intersection Improvements LaSalle Blvd at Froid Rd, Sudbury

The City of Greater Sudbury is planning the **construction of a roundabout at LaSalle Blvd and Froid Rd**, in Sudbury.

This project is part of the Council-approved Capital Project for Arterial/Collector Roads Rehabilitation and Resurfacing program. The two-lane roundabout is recommended in the Transportation Master Plan and removes an area of congestion from the Maley Drive/LaSalle Boulevard corridor and **completes Phase 1 of the Maley Drive Extension project**.

Project Highlights:

- Reconfiguration of the existing intersection at LaSalle Blvd and Froid Rd to introduce a two-lane roundabout.
- Installation of new streetlights at the roundabout

Expected Start Date: Spring 2023

Expected End Date: Fall 2023

For more information, please visit www.greatersudbury.ca/construction2023. If you do not have access to the website, please contact the Project Team members listed below and a package with further project details can be mailed to you.

Questions about upcoming construction can be directed to:

Project Manager:

Miranda Edwards

	<p>Before Construction Begins: Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities. Once the roundabout and associated lanes have been repaved with new asphalt, roadway cuts to install new utilities will not be permitted for a period of three years. Therefore, you should contact your hydro, gas, telephone or cable providers should you require changes to these services as well as notify the Project Manager.</p>
	<p>Traffic: Plans are in place to manage traffic in the area to ensure the safety of workers and residents. You may experience some delays and increased traffic on nearby main and side streets. Traffic will be reduced to one lane in each direction to accommodate construction. A full road closure on Froid Rd will occur from July 2023 to September 2023. The roads will remain open to emergency vehicles at all times.</p>
	<p>Emergency Services and Public Transit: Access for police, fire and paramedic services vehicles will be maintained at all times. Public transit detours may occur during construction. Please call GOVA at 705-675-3333 or visit www.greatersudbury.ca/gova/ for information. Should the work affect the school bus route, the Sudbury Student Services Consortium will inform you of any changes to the scheduled route.</p>
