

You are required to know your license plate when paying to park at our meter.

HOW TO USE OUR PARKING METERS

Pay-by-License Plate

Paying with Coin or Credit Card

- 1 To activate the meter, press either the **red**, **yellow** or **green** button.

- 2 Enter your vehicle **license plate number** using the keys. Press the **green** button to confirm your license plate entry.

- 3 **Purchase time by inserting coins or tapping a credit card, debit card, Apple Pay or Cale wallet on the contactless reader.**

To pay with coins, enter your coins into the coin slot located beneath the control keys.

To pay with credit card, you may either tap your credit card on the reader located at the bottom left corner. Alternatively, insert your credit card in the credit card slot located on the bottom left of the meter.

- 4 Press the **green** button to confirm your transaction.

- 5 Take your receipt. It will be dispensed from the paper dispenser beneath the control keys.

- 6 There is no need to display your receipt on your vehicle dashboard. You will not be invoiced. Your vehicle license plate is recognized by a cloud-based parking enforcement system.

Proceed to your destination.
