Before Construction Begins:

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Once a Contractor has been selected, affected property owners will receive a construction notice with more information about the work.
- **The City is not responsible for damage to any privately-owned items on the municipal right-of-way.** Property owners should remove items located within the municipal right-of-way, such as landscaping, fencing, sprinkler systems and decorative objects.
- Once each street has been repaved with new asphalt, roadway cuts to install new utilities will not be permitted for a period of three years. Therefore, you should contact your hydro, gas, telephone or cable providers should you require changes to these services as well as notify the Project Manager below.
- Should you wish to make any modifications to your property entrance please contact the Project Manager listed below prior to May 1, 2021.
