Hall Features

This recently renovated 870 sq. ft. (31 x 28 ft.) hall is wheelchair accessible and can accommodate up to 135 people. The hall is decorated with warm neutral colours, which complement not only the open-style cedar ceiling but also the patios extending off both sides of the hall. There are plenty of windows that fill the hall with natural light and give views of shady trees, grass fields, marshlands, walking trails, and a playground. The vestibule, bar and kitchen areas offer ample counter space for food preparation and service. There is a stovetop and oven, and 2 refrigerators. Multimedia productions are facilitated at this location with a small stage, podium, microphone and projection screen, included with the rental. Outside the hall is an area suitable for group photos, barbecues, meetings, arts & craft sessions, picnic lunches etc.
