

Please review the following information with your child:

As a camper, I promise to follow the values of The City of Greater Sudbury – Summer Camp Program:

- ☐ **I Am Respectful** - I am respectful of others and the physical environment we share. I have self-respect and I create space for diverse voices to be heard.
- ☐ **I Am Caring** - In my daily interactions I am kind, compassionate, supportive, and honest. I want others to feel welcome here and will do my part to convey a caring sense of community.
- ☐ **I Am Determined** - I want to achieve the highest goals I can envision, and I will do so with integrity, perseverance and courage. I will welcome a helping hand when I need it and extend mine to others along the way.
- ☐ **I Am Engaged** - Contributing to the life of my camp community is important to me. I will strive to meet my commitments and offer my best effort. I will be held accountable for my actions because I understand that they reflect on all of us.
- ☐ **I Am Authentic** - Being true to who I am, my values and beliefs are important to me. I recognize that every person is on a journey of self-discovery and won't make assumptions about them or their motivations.
- ☐ Treat others the way I want to be treated.
- ☐ Practise consent in all aspects of camp life, including with fellow campers and staff.
- ☐ Follow instructions and ask questions when I do not understand.
- ☐ Help to keep our facilities clean and respect our equipment. Work with others to clean up after our activities and our outdoor grounds after eating.
- ☐ Keep sun safe. I will reapply sunscreen throughout the day, drink lots of water and seek shade when possible.
- ☐ **I Am Healthy** - I will eat the meal and snacks that I have packed for camp. I will not share my food with anyone else. It is my responsibility to make sure that I have food for two snacks and lunch so I can keep energized for camp throughout the day. I also understand that due to camper allergies, we may need to adjust what we bring to camp or eat further away from each other to ensure allergy safety.
- ☐ Practice good hygiene by washing or sanitizing my hands regularly.
- ☐ Use healthy coping strategies. I will speak to my counsellors or a director if I am feeling overwhelmed.
- ☐ Talk to someone right away if I am feeling unsafe, unwell or unhappy at camp.

Code of conduct form continued...

As a camper I understand that if I am having trouble following this code of conduct, the following could happen:

- ☐ I may be asked to participate in a process of reflection, learning, accountability, repair and reintegration. This could include multiple steps as needed to address the issue, including follow up to support me in my ability to adhere to this code of conduct and participate positively as a member of camp.
- ☐ I may have a meeting with my counsellors or a members of the Seniors Team, Leisure Program Supervisor, or the Recreation Coordinator.
- ☐ A staff member might call my parents to discuss my behaviour.
- ☐ I may be given, or be asked to carry out, a suitable consequence to be decided by camp staff. (Examples of consequences include but are not limited to, writing an apology letter, missing activities, losing privileges, being sent home from camp early at your parent's/guardian's expense and responsibility, not being allowed to attend or return to camp, etc.)
- ☐ If my behaviour is hurtful to myself, others or camp property, I will likely be sent home that same day or as soon as possible thereafter at the parent's/guardian's expense and responsibility.
